Action Taken Report

Academic year: 2022-23

Name of the Stakeholder: Student

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Students Feedback above 90% is considered as positive feedback, below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	The curriculum actively promotes and facilitates internships, student exchanges, and field trips.	Excellent	95	The lecturers are encouraging the students to participate in more internship programmes and create initiatives for which they offer advice and support in whatever way they can. Projects and field trips are encouraged.
2	The curriculum assists in the development of soft skills, life skills, and employability skills.	Excellent	96	To better prepare students for the workplace, the institution will take initiatives to include employability, life, and soft skills in the curriculum.
3	Curriculum Delivery by teachers	Excellent	97	To improve teaching abilities, integrate new teaching techniques, and use technology successfully in the classroom, instructors will often have training and professional development opportunities planned for them.
4	The accessibility of the teaching faculty.	Very Good	94	To facilitate student-teacher communication and support, the institute will expand office hours and offer a variety of communication channels, including email, messaging applications, and virtual office hours.

SRI SIVANI COLLEGE OF ENGINEERING

(Under the Management of Sri Sivani Educational Society, Srikakulam)
(Approved by AICTE, New Delhi and Affiliated to JNTUGV, Vizianagaram-CC-W6,
UGC Recognition under 2(f) & 12(B), ISO 9001:2015 Certified)
NH-16, Chilakapalem Jn., Srikakulam Dist. Andhra Pradesh -532410

5	Mentors offer sufficient guidance on assigned tasks.	Very Good	94	To make sure that students have the assistance and direction they need to achieve, enough advice will be given to students on assigned responsibilities through the provision of professional development opportunities, mentorship training, and continuous support.
6	Classrooms and laboratories	Excellent	95	To guarantee that students have access to contemporary, secure, and well-equipped classrooms and laboratories that satisfy their academic and research needs, the institution will invest in cutting-edge equipment, renovate existing facilities, and provide essential resources and technical assistance.
7	The quality of knowledge resources and library facilities.	Excellent	97	By spending money on a variety of digital sources, we will keep enhancing the quality of the library and knowledge sources.
8	What do you think of the college's co-curricular and extra-curricular activities?	Excellent	98	To further promote student growth and development, the institution will take the necessary steps to increase the provisions for extracurricular, co-curricular, and extension activities.
9	Teachers' internal assessments	Excellent	95	We'll put into practice a set of standards and policies for evaluation and grading, train instructors in evaluation methods and bias avoidance, set up a system for students to appeal grades, and regularly review the evaluation process to find and fix any problems.
10	Assessment of Program Curriculum	Excellent	98	The curriculum, instruction, and standards will all remain the same.

Name of the Stakeholder: Teacher

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of an action plan to be implemented in accordance with the demands of the stakeholders.

Teachers Feedback above 90% is considered as positive feedback and below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	The curriculum is effectively designed and appropriate for the program.	Excellent	96	The institution will create a curriculum development committee made up of subject-matter experts and entrepreneurs to carry out a thorough analysis of the programme objectives and outcomes, map the curriculum to the desired outcomes, review and update the curriculum on a regular basis based on feedback from stakeholders, and train the faculty on how to effectively deliver the curriculum and align it with the programme outcomes.
2	The curriculum objectives are clearly defined and easily comprehensible to teachers and students.	Excellent	95	The curricular objectives will be reviewed and updated frequently, a guidebook will be made available, training and orientation events will be planned, and a mechanism for stakeholder feedback will be established to ensure that the objectives are distinct and well-defined.
3	The curriculum effectively integrates both theoretical knowledge and practical application.	Excellent	98	In addition to lectures and in-class discussions, the curriculum will feature a variety of practical assignments, case studies, and real-world projects in order to strike a balance between theory and application.

SRI SIVANI COLLEGE OF ENGINEERING

(Under the Management of Sri Sivani Educational Society, Srikakulam)

4	The recommended/listed books in the curriculum are pertinent and suitable.	Excellent	97	We'll make sure by routinely evaluating and revising the book list, asking teachers and students for comments, and making sure the books are current and in line with the program's objectives.
5	The curriculum allows for the introduction, adaptation, suggestion, and inclusion of new topics.	Excellent	99	To maintain the curriculum relevant, up-to-date, and in line with the shifting needs of the industry and society, the institution will encourage and grant the freedom to propose, revise, recommend, and incorporate new topics.
6	The library maintains a sufficient number of prescribed books.	Excellent	98	We'll see to it that students have access to a suitable number of pertinent literature.
7	The teaching and learning infrastructure is sufficient.	Excellent	97	The institution will take the necessary actions to guarantee that the relevant facilities are properly accessible for instructors and students.
8	New teaching strategies can be implemented.	Excellent	96	To improve the learning environment for students, measures will be taken to guarantee that teachers have the freedom to embrace new teaching strategies and techniques.
9	There is an ample selection of optional courses in the program.	Excellent	95	To provide students more options, the institution decided to examine the existing programme of studies and offer more alternative courses.
10	Faculty members receive sufficient funding and support for enhancing their skills.	Excellent	97	The institution will provide more funding and support to faculty members so they can attend conferences, workshops, and training sessions to advance their education and professional credentials.

5	Curriculum addresses and resolves workplace issues.	Excellent	95	The institution will take steps to include more practical assignments and case studies that replicate real-world settings.
6	Curriculum facilitates the acquisition of a variety of skills.	Very Good	92	The curriculum offers students a variety of opportunities to study and develop a wide range of abilities.
7	The institute's contribution to your career advancement.	Excellent	95	By giving our students access to a top-notch education, industry and research exposure, career assistance, networking opportunities, and tools for professional growth, we will help shape their future career pathways. These can assist students in gaining the knowledge, abilities, and experiences required to be successful in their future endeavors.
8	Enhancement of cognitive and soft skills through curriculum.	Excellent	95	The institution will take a number of actions, including scheduling frequent training sessions, workshops, and events, forming student clubs and societies, and providing courses with a strong emphasis on developing these skills.
9	Curriculum cultivates industry-specific skills.	Very Good	92	We will update the curriculum to better match with industry standards in response to feedback.
10	Overall satisfaction	Very Good	94	The college's administration is fostering a positive environment for both teachers and students.

Action Taken Report

Academic year: 2020-21

Name of the Stakeholder: Teacher

A staff council meeting has been convened by IQAC with all the in-charges / Heads of the Departments under the chairmanship of the Principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stakeholders.

Teacher Feedback above 90% is considered as positive feedback and below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	The curriculum is effectively designed and appropriate for the program.	Very Good	92	The institution will create a curriculum development committee made up of subject-matter experts and entrepreneurs to carry out a thorough analysis of the programme objectives and outcomes, map the curriculum to the desired outcomes, review and update the curriculum on a regular basis based on feedback from stakeholders, and train the faculty on how to effectively deliver the curriculum and align it with the programme outcomes.
2	The curriculum objectives are clearly defined and easily comprehensible to teachers and students.	Good	89	The curricular objectives will be reviewed and updated frequently, a guidebook will be made available, training and orientation events will be planned, and a mechanism for stakeholder feedback will be established to ensure that the objectives are distinct and well-defined.
3	The curriculum effectively integrates both theoretical knowledge and practical application.	Very Good	92	In addition to lectures and in-class discussions, the curriculum will feature a variety of practical assignments, case studies, and real-world projects in order to strike a balance between theory and application.

SRI SIVANI COLLEGE OF ENGINEERING

4	The recommended/listed books in the curriculum are pertinent and suitable.	Very Good	94	We'll make sure by routinely evaluating and revising the book list, asking teachers and students for comments, and making sure the books are current and in line with the program's objectives.
5	The curriculum allows for the introduction, adaptation, suggestion, and inclusion of new topics.	Very Good	90	To maintain the curriculum relevant, up-to-date, and in line with the shifting needs of the industry and society, the institution will encourage and grant the freedom to propose, revise, recommend, and incorporate new topics.
6	The library maintains a sufficient number of prescribed books.	Very Good	92	We'll see to it that students have access to a suitable number of pertinent literatures.
7	The teaching and learning infrastructure is sufficient.	Excellent	98	The institution will take the necessary actions to guarantee that the relevant facilities are properly accessible for instructors and students.
8	New teaching strategies can be implemented.	Excellent	95	To improve the learning environment for students, measures will be taken to guarantee that teachers have the freedom to embrace new teaching strategies and techniques.
9	There is an ample selection of optional courses in the program.	Very Good	90	To provide students more options, the institution decided to examine the existing programme of studies and offer more alternative courses.
10	Faculty members receive sufficient funding and support for enhancing their skills.	Very Good	90	The institution will provide more funding and support to faculty members so they can attend conferences, workshops, and training sessions to advance their education and professional credentials.

Action Taken Report

Academic year: 2018-19

Name of the Stakeholder: Teacher

A staff council meeting has been convened by IQAC with all the in-charges / Heads of the Departments under the chairmanship of the Principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stakeholders.

Teacher Feedback above 90% is considered as positive feedback and below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	The curriculum is effectively designed and appropriate for the program.	Good	89	The institution will create a curriculum development committee made up of subject-matter experts and entrepreneurs to carry out a thorough analysis of the programme objectives and outcomes, map the curriculum to the desired outcomes, review and update the curriculum on a regular basis based on feedback from stakeholders, and train the faculty on how to effectively deliver the curriculum and align it with the programme outcomes.
2	The curriculum objectives are clearly defined and easily comprehensible to teachers and students.	Good	85	The curricular objectives will be reviewed and updated frequently, a guidebook will be made available, training and orientation events will be planned, and a mechanism for stakeholder feedback will be established to ensure that the objectives are distinct and well-defined.
3	The curriculum effectively integrates both theoretical knowledge and practical application.	Very Good	90	In addition to lectures and in-class discussions, the curriculum will feature a variety of practical assignments, case studies, and real-world projects in order to strike a balance between theory and application.

4	The recommended/listed books in the curriculum are pertinent and suitable.	Very Good	90	We'll make sure by routinely evaluating and revising the book list, asking teachers and students for comments, and making sure the books are current and in line with the program's objectives.
5	The curriculum allows for the introduction, adaptation, suggestion, and inclusion of new topics.	Excellent	95	To maintain the curriculum relevant, up-to-date, and in line with the shifting needs of the industry and society, the institution will encourage and grant the freedom to propose, revise, recommend, and incorporate new topics.
6	The library maintains a sufficient number of prescribed books.	Very Good	90	We'll see to it that students have access to a suitable number of pertinent literatures.
7	The teaching and learning infrastructure is sufficient.	Very Good	90	The institution will take the necessary actions to guarantee that the relevant facilities are properly accessible for instructors and students.
8	New teaching strategies can be implemented.	Very Good	90	To improve the learning environment for students, measures will be taken to guarantee that teachers have the freedom to embrace new teaching strategies and techniques.
9	There is an ample selection of optional courses in the program.	Very Good	90	To provide students more options, the institution decided to examine the existing programme of studies and offer more alternative courses.
10	Faculty members receive sufficient funding and support for enhancing their skills.	Excellent	95	The institution will provide more funding and support to faculty members so they can attend conferences, workshops, and training sessions to advance their education and professional credentials.
