The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Promoting Soft Skills for Positive Attitude”** in seminar hall from **23-01-2023 to 25-01-2023**. This program was initiated by our principal Dr. Y. Srinivasa Rao with a motivational speech.

During the three days of the program, students were exposed to the significance of soft skills. The promotion of soft skills is essential for the overall development of students, as it helps them to cultivate self-assurance, motivation, and a positive outlook. Through this program, students are able to become more aware of their own strengths and weaknesses, as well as to strive for continual improvement. In today's highly competitive environment, the ability to communicate clearly, demonstrate emotional intelligence, adjust to new situations, collaborate with different groups, and think critically are highly sought-after. As the world continues to become more interconnected, the development of these soft skills will give individuals a competitive advantage and open up a variety of opportunities in both personal and professional life. At the end of the program, a significant number of student participants expressed their satisfaction with how it has enabled them to improve their soft skills. In total, 142 students have benefitted from the program.

The session ended with Vote of thanks by Training and Placement Officer

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Promoting Soft Skills for Public Relations”** in seminar hall from 12-07-2022 to 14-07-2022. This program was initiated by our principal Dr. J. Bala Bhaskar Rao. During these 3 days, the students learned about the value of soft skills. The promotion of soft skills enhances the overall personal development of students. It promotes self-esteem, self-confidence, and a positive attitude. Students become more aware of their strengths and weaknesses and strive for continuous self-growth.

In today's highly competitive world, the ability to communicate well, show emotional intelligence, adjust to new situations, work well with different teams, and think rationally will remain among the most sought-after skills. In today's interconnected world, the development of soft skills will give individuals a competitive advantage and open doors to many opportunities in both personal and professional life.

During valedictory, few student participants expressed how this program helped them to improve their soft skills. Altogether 149 students have benefited from this program.

The session ended with Vote of thanks by Training and Placement Officer

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Advance Soft Skills for Holistic Student Development”** in seminar hall from 12-10-2020 to 14-10-2020. This program was initiated by our principal Dr. J. BalaBhaskara Rao with a motivational speech.

The students learned about the importance of soft skills over the course of 3 days. Promoting soft skills helps students grow in all aspects of their lives, such as self-esteem, motivation, and positive thinking. Through soft skills development, students can become more self-aware, recognize their strengths and limitations, and work towards continual improvement.

Today’s world is highly competitive, and the ability to communicate effectively, show emotional intelligence, adjust to new situations, work well with different groups, and think rationally are qualities that are highly sought after. As our world becomes more connected, the development of soft skills will give individuals a competitive edge and open up a lot of possibilities in both personal and professional life.

At the end of the program, several students expressed how this program helped them develop their soft skills, and 110 students completed the program.

The session ended with Vote of thanks by Training and Placement Officer.

PROGRAM REPORT

Name of the program	: A Three Days Training Program on “Buildup Soft Skills for Public Speaking and Training”
Duration	: 20-11-2019 to 22-11-2019
Resource Person and Details	: Mr. B.V.G.D Krishna Rao, Rtd. Lecturer, Govt. Degree College for Men, Srikakulam.9440028495.

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Buildup Soft Skills for Public Speaking and Training”** in seminar hall from 20-11-2019 to 22-11-2019. This program was initiated by our Principal Dr. J. Bala Bhaskara Rao with a motivational speech.

Over the course of three days, the students were educated on the significance of soft skills. The promotion of soft skills is instrumental in fostering the overall personal growth of students, as it facilitates the development of self-confidence, self-motivation, and a positive mindset. Through the cultivation of soft skills, identify their strengths and weaknesses, and strive towards continuous self-improvement.

In today's highly competitive world, the ability to effectively communicate, display emotional intelligence, adapt to new circumstances, collaborate with diverse teams, and think critically are qualities that will continue to be in high demand. As the world becomes increasingly interconnected, the refinement of these soft skills will provide individuals with a competitive advantage and unlock a multitude of opportunities in both their personal and professional lives. During the valedictory session, several student participants provided feedback on how this program has helped them improve their soft skills. A total of 117 students benefited from the program.

The session ended with Vote of thanks by Training and Placement Office

PROGRAM REPORT

- Name of the program : A Three Days Training Program on **“Promoting Soft Skills for Team Dynamics”**
- Duration : 17-07-2018 to 19-07-2018
- Resource Person and Details : Dr. K. HariKishan, Professor, Dr. B.R. Ambedhkar University, 9491732239, Srikakulam.

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Promoting Soft Skills for Team Dynamics”** in seminar hall from 17-07-2018 to 19-07-2018. This program was initiated by our principal Dr. B. Muralikrishna with a motivational speech.

During these three days the students learnt about importance of soft skills. Promoting soft skills contributes to the overall personal growth of students. It helps them develop self-confidence, self-motivation, and a positive mindset. Students become more self-aware, identify their strengths and weaknesses, and work towards continuous self-improvement.

In this highly competitive world, students are ability to communicate effectively, display emotional intelligence, and think critically will continue to be highly sought-after qualities. As the world becomes increasingly interconnected, honing these soft skills will provide individuals with a competitive edge and open doors to numerous opportunities in their personal and professional lives. During valedictory session, few student participants gave their feedback how this program helps them to improve soft skills.111 students benefited out of the program

The session ended with Vote of thanks by Training and Placement Officer
