PROGRAM REPORT

Name of the program	: A Three Days Training Program on “Usage of Effective Communication at Work Place”
Duration	: 15-02-2023 to 17-02-2023.
Resource Person and Details	: Dr. M. Shyamsundar, Asst.professor at Siddhardha institute of technology, Vijayawada, Krishna district-520007. 9963501295.

From the 15th to the 17th of February, the Training and Placement Cell of Sri Sivani College of Engineering held a special session on " Usage of Effective Communication at Work Place " in the seminar hall. Our principal, Dr. Y. Srinivasa Rao, launched this initiative with a motivational address.

The pupils acquired knowledge about the importance of communication skills throughout the duration of these three days. Their verbal and communication skills play a significant role in fostering the development of their overall personalities. This development instills in them a sense of self-esteem, motivation, and positivity. It also enables students to become more self-aware, identify their strengths and weaknesses, and strive for continuous personal growth. In today's fiercely competitive world, individuals who possess effective communication skills, emotional intelligence, adaptability, teamwork, and critical thinking abilities are highly sought after. As our world becomes increasingly interconnected, refining these communication skills not only provides a competitive advantage but also leads to a plethora of opportunities in both personal and professional spheres. The program was benefited to 127 students.

The Training and Placement Officer expressed gratitude, concluding the meeting.

PROGRAM REPORT

Name of the program : A Three Days Training Program on “**Assertive Verbal Skills and Communication Technique**”
Duration : 26-10-2021 to 28-10-2021.
Resource Person and Details : P. Ramakrishna,
Communication Skills Trainer, Srikakulam
9533258294.

From 26th October to 28th October, 2021, the Training and Placement Cell of Sri Sivani College of Engineering held a special session on "**Assertive Verbal Skills and Communication Technique**" in the seminar hall. Our principal, Dr. J. Bala Bhaskara Rao, launched this program with a motivational address.

The students learned the value of communication skills over the course of three days. Students' verbal and communication abilities contribute to their entire personal development. It aids in the development of self-esteem, motivation, and a positive attitude. Students gain self-awareness, identify their strengths and flaws, and strive for constant self-improvement.

Students' capacity to communicate effectively, demonstrate emotional intelligence, adapt to new circumstances, interact with various teams, and think critically will continue to be highly sought-after abilities in this highly competitive world. As the globe becomes more interconnected, developing these communication skills will provide individuals a competitive advantage and open doors to numerous opportunities in their personal and professional lives. During the closing ceremony, 112 student participants shared their thoughts on how this program has helped them develop their communication abilities.

The session concluded with a vote of gratitude given by the Training and Placement Officer.

PROGRAM REPORT

Name of the Program : A Three Days Training Program on “**Communicating with Confidence**”

Duration : 25-11-2020 to 27-11-2020.

Resource Person and Details : Dr. R. L. Naidu,
Assistant Professor, IIIT, S M Puram, Etcherla.
8247375175.

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on “**Communicating with Confidence**” in seminar hall from 25-11-2020 to 27-11-2020. This program was initiated by our principal Dr. J. Bala Bhaskara Rao with a motivational speech.

During this seminar, students learned the importance of language. Its importance in our daily lives contributes to the overall personal development of students. This helps them develop self-confidence, self-motivation and positive thinking and imparts confidence to everyone. Students become more self-aware, identify their strengths and weaknesses, and strive for continuous improvement. In this highly competitive world, students' ability to communicate effectively, demonstrate emotional intelligence, adapt to new situations, collaborate with diverse groups, and think critically will continue to be the qualities are highly appreciated. As the world becomes more interconnected, cultivating these language skills will give individuals a competitive edge and open up opportunities in their personal and professional lives. In the concluding session, out of 135 some of the participating students gave feedback on how this workshop helped them improve their language.

The session ended with a thank you note from the training and placement officer.

PROGRAM REPORT

Name of the program : A Three Days Training Program on “**Communication Skills at Engineering Level**”

Duration : 16-12-2019 to 18-12-2019.

Resource Person and Details : Dr. Ch. Visweswara Rao,
Associate professor, Raghu institute of Technology.
9492018580

From 16th December to 18th December, 2019, the Training and Placement Cell of Sri Sivani College of Engineering hosted a special session on “**Communication Skills at Engineering Level**” in the seminar room. Our principal, Dr. J. Bala Bhaskar Rao, who devised this program, began with a speech of inspiration.

The lecture taught the pupils the value of language. As crucial as it is in daily life, it aids in students' entire personal growth. They gain motivation, self-confidence, and a positive outlook thanks to this. Students grow in self-awareness, become aware of their advantages and disadvantages, and strive for constant improvement. Students who can successfully communicate, exhibit emotional intelligence, adjust to changing situations, work with different teams, and exhibit critical thinking will continue to be in high demand in today's fiercely competitive market. In this session 115 students participated and share their views. The program ended with Vote of thanks.

Program Name: “Assertive Verbal Skills and Communication Techniques”

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on “**Importance of Language in Day to Day Life**” in seminar hall from 09-07-2018 to 11-07-2018. This program was initiated by our principal Dr. B. Muralikrishna with a motivational speech.

During this seminar the students learnt about importance of language. How it important in our daily life contributes to the overall personal growth of students. It helps them develop self-confidence, self-motivation, and a positive mindset. Students become more self-aware, identify their strengths and weaknesses, and work towards continuous self-improvement. In this highly competitive world, students are ability to communicate effectively, display emotional intelligence, adapt to new circumstances, collaborate with diverse teams, and think critically will continue to be highly sought-after qualities. As the world becomes increasingly interconnected, honing these language skills will provide individuals with a competitive edge and open doors to numerous opportunities in their personal and professional lives. During valedictory session, 123student participants gave their feedback how this workshop helps them to improve their language. The session ended with Vote of thanks by Training and Placement Officer

Program name: "Importance of Language in Day-to-Day Life"
