PROGRAM REPORT

Name of the program : **“Fire safety precautions”**

Date : 16-02-2023

Resource Person and Details

Name : Mr. G. Bhaskar

Designation : Safety Engineer

Place : Vijayawada.

Contact No : 9547733217

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Fire safety precautions”** in seminar hall on 16-02-2023. This program was initiated by our principal with a motivational speech.

The Fire Safety Precautions Life Skills Program was designed to educate individuals of all ages on essential fire safety measures. The goal of the program was to equip participants with the knowledge and skills necessary to prevent fires, respond effectively in case of a fire emergency, and protect lives and property. On that session 120 students participated to learn developing life skills. Evacuation drills were conducted to simulate real-life fire emergencies. Participants practiced evacuating safely from different environments, such as homes, schools, and offices. This practical experience helped them understand the importance of staying calm and following established evacuation routes.

Local firefighters and experts in fire safety were invited to speak at the program, sharing their experiences and providing insights into the consequences of fire accidents. This offered a real-world perspective and motivation to prioritize fire safety.

The session ended with Vote of thanks.

PROGRAM REPORT

Name of the Program : **"My Health - My Responsibility"**
Date : 13-12-2021
Resource Person and Details
Name : Dr. P.V. Giri
Designation : M.D (General Medicine)
Place : Gems Hospital, Ragolu.
Contact No : 9891882264

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **"My Health - My Responsibility"** in seminar hall on 13-12-2021. This program was initiated by our principal with a motivational speech.

The **" My Health - My Responsibility "** Life Skills Program is a comprehensive initiative implemented by our college to promote and instill essential life skills related to health and hygiene among its students. This program is designed to foster holistic development, equipping students with the knowledge and skills necessary for maintaining a healthy lifestyle. On that session 105 students participated to educate students about the importance of health and hygiene and impart practical skills related to personal hygiene, nutrition, and mental well-being and to create awareness about preventable diseases and the importance of vaccinations.

Sustaining the **"My Health - My Responsibility "** Life Skills Program is crucial to maintaining the positive impact and fostering a culture of health and hygiene on campus.

The session ended with Vote of thanks.

PROGRAM REPORT

Name of the Program : **“Yoga for Health”**
Date : 12-11-2020
Resource Person and Details
Name : G. Ramarao Garu
Designation : Rtd. Employee, Electrical Dept.
Place : Srikakulam
Contact No : 7989875999

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“Yoga for Health”** in seminar hall on 12-11-2020. This program was initiated by our principal with a motivational speech.

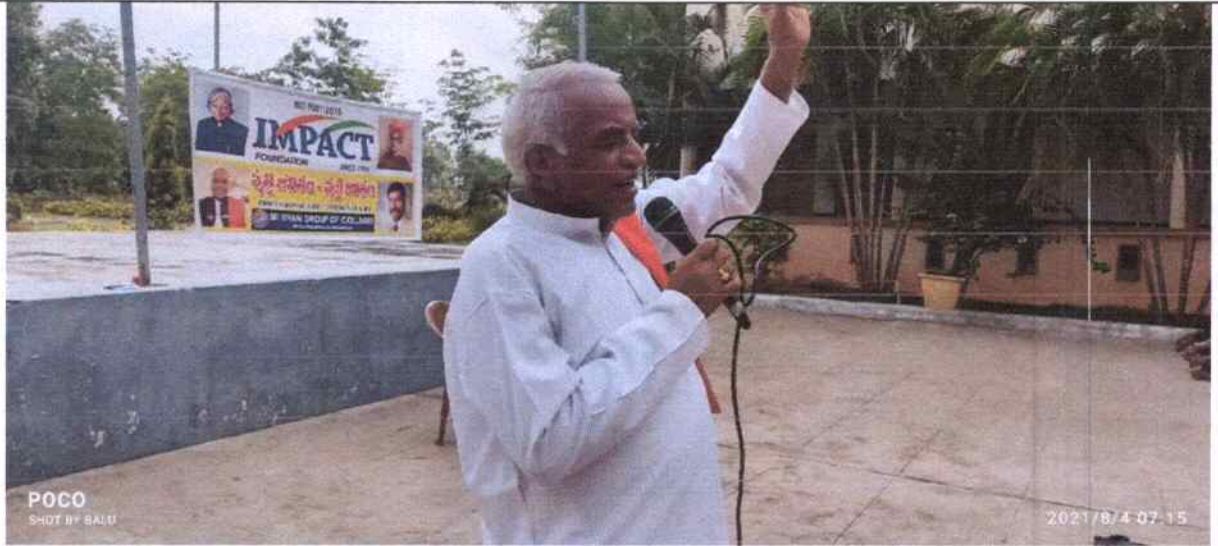

On that session more than 102 students learn to promote the physical, mental, and spiritual benefits of yoga and encourage people of all ages and backgrounds to embrace this ancient practice. Yoga is an ancient Indian discipline that combines physical postures (asanas), breathing techniques (pranayama), meditation, and ethical principles to promote overall well-being. It offers a wide range of benefits, including, Physical Fitness, Stress Relief, Mental Clarity, Inner Peace, Improved Respiratory Health, Enhanced Posture and Body Alignment, Increased Energy Levels, Boosted Immunity, Weight Management, Enhanced Well-being.

Yoga serves as a reminder of the importance of incorporating yoga into our daily lives to improve our well-being. By embracing yoga, individuals can experience the transformative power of this ancient practice and cultivate a healthier and more balanced lifestyle.

The session ended with Vote of thanks.

PROGRAM REPORT

Name of the Program : **“A One -Day Workshop on Leadership and Team Work”**
Date : 12-08-2019
Resource Person and Details
Name : Dr. K. Surya Chandra Rao
Designation : Lecturer.
Place : Government college for men , Srikakulam.
Contact No : 9440437025

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“A One-Day Workshop on Leadership and Team Work”** in seminar hall from 12-08-2019. This program was initiated by our principal with a motivational speech.

On that session 115 students learn developing leadership skills; it is essential for students as it equips them with the necessary tools to navigate various aspects of life successfully. Teaching students how to manage their time effectively enables them to prioritize tasks, meet deadlines, and maintain a healthy work-life balance. It enhances productivity and reduces stress. Involve working effectively in teams, respecting diverse perspectives, and fostering cooperation. Students who can collaborate well can succeed in group projects, develop leadership abilities, and build strong interpersonal skills.

The session ended with Vote of thanks

The Training and Placement Cell of Sri Sivani College of Engineering conducted a special session on **“A One-Day Workshop on Goal Setting, Creativity & Critical Thinking”** in seminar hall on 17-12-2018. This program was initiated by our principal with a motivational speech.

In that session, around 120 students are promoting critical thinking, which aids in information analysis, argument evaluation, and decision-making. It promotes autonomous thought and the ability to solve problems. Students need to learn life skills because it gives them the tools; they need to successfully navigate the different facets of life. It is possible for students to priorities activities, fulfill deadlines, and maintain a good work-life balance by teaching them how to manage their time efficiently. Both productivity and stress are increased. Involve creating collaboration, understanding other points of view, and working well in teams. Students who work effectively together may complete group tasks successfully, grow as leaders, and acquire solid interpersonal skills.

The session ended with Vote of thanks.
