Programme Report

Programme Name : A Three Day Computing Programme on "Cyber Security"

Programme Duration: 09-03-2023 to 11-03-2023

Time : 2:00 PM to 5:00 PM

Resource Person Details

Name : Pentakota Madhu

Designation : Senior Trainer

Place : Tanasvi Technologies, Visakhapatnam

Contact No : 9398582419

Email id : madhu.p419@gmail.com

Presenting a report on the Three Days Computing Programme on "Cyber Security" that was held from 09-03-2023 to 11-03-2023, for the benefit of IV-II B.Tech students gives me great pleasure. Improving students' abilities and understanding in the area of cyber security was the main goal of this program.

Programme Overview:

The three-day programme was conducted successfully in our seminar hall, commencing at 02:00 PM each day, as scheduled. The programme covered a wide range of topics related to Cyber Security, including:

1. Introduction to Cyber Security Concepts.
2. Threat Landscape and Attack Vectors.
3. Network Security and Firewall Management.

4. Encryption and Data Protection.
5. Incident Response and Risk Management.
6. Ethical Hacking and Penetration Testing.

Feedback and Impressions:

The programme received positive feedback from the students who attended. They expressed their appreciation for the valuable insights and practical knowledge gained during the sessions. Many students found the programme to be highly relevant in the context of the increasing cybersecurity threats and recognized the importance of cybersecurity skills in various industries. They were grateful for the opportunity to enhance their understanding and hands-on experience in this critical area. There were 59 students that attended this program in total.

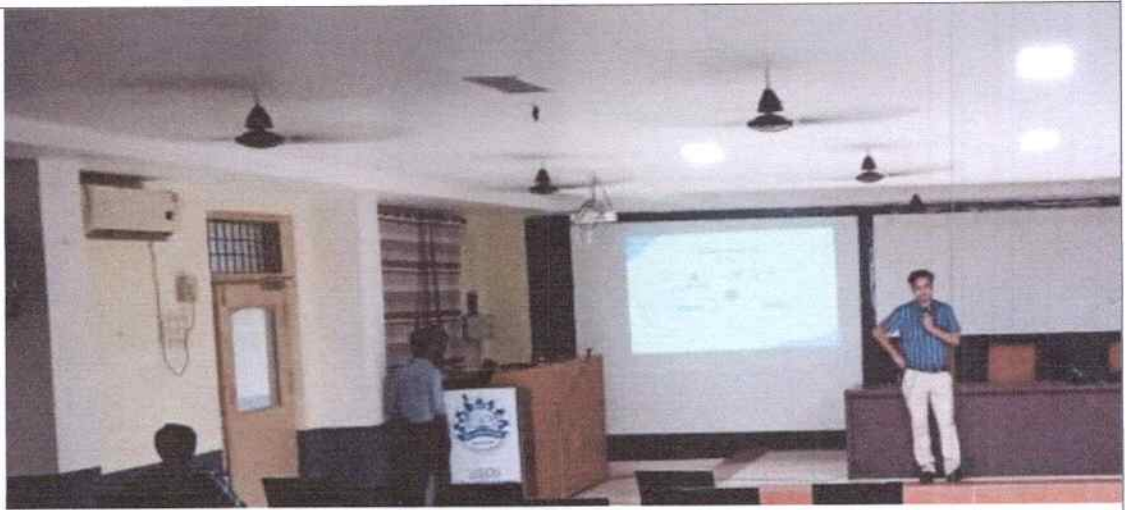

Acknowledgment:

I would like to extend my gratitude to the faculty and staff who supported the smooth conduct of the programme. Special thanks go to the class in-charges who diligently deputed the students and ensured their active participation.

In conclusion, the Three Days Computing Programme on "Cybersecurity" was a resounding success, providing students with valuable knowledge and skills in the field of cyber security. We look forward to organizing more such programs in the future to further enhance the capabilities of our students.

It gives me great pleasure to report on the three-day computing program on "Digital Marketing" that was held from 09-03-2022 to 11-03-2022, for the IV-II B.Tech students. This program's main goal was to improve students' knowledge and abilities in the area of digital marketing.

Programme Overview:

The three-day programme was conducted successfully in our seminar hall, commencing at 2:00 PM each day, as scheduled. The programme covered a wide range of topics related to

Digital Marketing, including:

1. Introduction to Digital Marketing.
2. Search Engine Optimization (SEO).

3. Social Media Marketing.
4. Email Marketing.
5. Content Marketing.
6. Analytics and Measurement.

Feedback and Impressions:

The programme received positive feedback from the students who attended. They expressed their appreciation for the valuable insights and practical knowledge gained during the sessions. Many students found the programme to be a real-time learning experience that will benefit them in their academic and professional pursuits. They also noted the importance of digital marketing skills in today's job market and were grateful for the opportunity to acquire these skills. There were 71 students in attendance at this program.

Acknowledgment:

I would like to extend my gratitude to the faculty and staff who supported the smooth conduct of the programme. Special thanks go to the class in-charges who diligently deputed the students and ensured their active participation.

In conclusion, the "Digital Marketing" three-day computing program was a huge success, giving students invaluable information and expertise in the sector. In order to improve our students' abilities even more, we hope to host such events of this kind in the future.

Programme Report

Programme Name : A Three Day Computing Programme on "Cloud Computing"

Programme Duration: 21-01-2021 to 23-01-2021

Time : 2:00 PM to 5:00 PM

Resource Person Details

Name : Tale Nagamani

Designation : Assistant Professor

Place : Swamy Vivekananda Engineering

College, Kalvari, Bobbili, Vizayanagaram District.

Contact No : 8074336233

Email id : nagamani15031991@gmail.com

It gives me great pleasure to report on the "Cloud Computing" three-day computing program that was held from 21-01-2021 to 23-01-2021, for the benefit of IV-II B.Tech students. Improving students' abilities and understanding in the area of cloud computing was the main goal of this program.

Programme Overview:

The three-day programme was conducted successfully in our seminar hall, commencing at 02:00 PM each day, as scheduled. The programme covered a wide range of topics related to Cloud Computing, including:

1. Introduction to Cloud Computing.
2. Cloud Service Models (IaaS, PaaS, SaaS).
3. Cloud Deployment Models (Public, Private, Hybrid).

4. Cloud Security and Compliance.
5. Cloud Providers (e.g., AWS, Azure, Google Cloud).
6. Cloud Migration Strategies.

Feedback and Impressions:

The programme received positive feedback from the students who attended. They expressed their appreciation for the valuable insights and practical knowledge gained during the sessions. Many students found the programme to be highly relevant in the context of modern technology trends and recognized the importance of Cloud Computing skills in today's IT landscape. They were grateful for the opportunity to enhance their understanding of this critical area. There were 63 students that attended this program in total.

Acknowledgment:

I would like to extend my gratitude to the faculty and staff who supported the smooth conduct of the programme. Special thanks go to the class in-charges who diligently deputed the students and ensured their active participation.

In conclusion, the three-day computing program on "cloud computing" was a huge success and gave students insightful knowledge and practical skills in the area. In order to improve our students' abilities even more, we hope to host such events of this kind in the future.

Programme Report

Programme Name : A Three Day Computing Programme on "Web Design Tool"
on " Web Design Tool "

Programme Duration: 12-02-2020 to 14-02-2020

Time : 2:00 PM to 5:00 PM

Resource Person Details

Name : Nemalapuri Saikiran

Designation : Assistant Professor

Place : Sri Venkateswara College of Engineering, Srikakulam

Contact No : 9346259619

Email id : mohan.saikiran@gmail.com

I'm pleased to provide an overview of the three-day computing programme on "Web Design Tool" that was held from 12-02-2020 to 14-02-2020, for IV-II B.Tech students. Enhancing students' abilities and knowledge in the area of Web Design Tools was the main goal of this program.

Programme Overview:

The three-day programme was conducted successfully in our seminar hall, commencing at 02:00 PM each day, as scheduled. The programme covered a wide range of topics related to Web Design Tool, including:

1. Introduction to Web Design and User Experience (UX) Principles.
2. Hands-on Training with Popular Web Design Tools (e.g., Adobe XD, Figma, Sketch).
3. Wire framing and Prototyping.

4. Responsive Design Techniques.
5. Collaboration and Version Control.
6. Design Best Practices and Trends.

Feedback and Impressions:

The programme received positive feedback from the students who attended. They expressed their appreciation for the hands-on experience with web design tools, which they found to be highly valuable in the context of modern web development. Many students recognized the importance of user-centered design in creating effective and engaging websites. They were grateful for the opportunity to acquire practical skills in web design. There were 86 students that attended this program in total.

Acknowledgment:

I would like to extend my gratitude to the faculty and staff who supported the smooth conduct of the programme. Special thanks go to the class in-charges who diligently deputed the students and ensured their active participation.

In conclusion, the three-day computing program on "Web Design Tools" was a huge success and gave students insightful knowledge and practical experience with the software. We're excited to plan further courses of this kind in the future to help our students become even more proficient web designers.

Programme Report

Programme Name : A Three Day Computing Programme on "Software Development and Visualization Knowledge"

Programme Duration: 27-03-2019 to 29-03-2019

Time : 2:00 PM to 5:00 PM

Resource Person Details

Name : Jami.Chiranjeevi

Designation : Assistant Professor

Place : Malla Reddy Institute of Technology and Science,
Maisammaguda, Bahadurpally, Secunderabad.

Contact No : 9885385229

Email id : chiranjeevi.jami@gmail.com

It gives me great pleasure to report on the "Software Development and Visualization Knowledge" three-day computing programme that was held from 27-03-2019 to 29-03-2019 for IV-II B.Tech students. This program's main goal was to improve students' abilities and understanding in the areas of Software Development and Visualization Knowledge.

Programme Overview:

The three-day programme was conducted successfully in our seminar hall, commencing at 02:00 PM each day, as scheduled. The programme covered a wide range of topics related to Software Development and Visualization Knowledge, including:

1. Introduction to Software Development Lifecycle.
2. Programming Languages and Tools.
3. Front-end and Back-end Development.

4. Data Visualization Techniques.
5. Data Analysis and Interpretation.
6. Hands-on Workshops and Projects.

Feedback and Impressions:

The programme received positive feedback from the students who attended. They expressed their appreciation for the valuable insights and practical knowledge gained during the sessions. Many students found the programme to be highly relevant in the context of modern technology trends and recognized the importance of software development and data visualization skills in various industries. They were grateful for the opportunity to enhance their understanding and hands-on experience in these critical areas. There were 91 students in attendance at this program.

Acknowledgment:

I would like to extend my gratitude to the faculty and staff who supported the smooth conduct of the programme. Special thanks go to the class in-charges who diligently deputed the students and ensured their active participation.

In conclusion, the Three Days Computing Programme on "Software Development and Visualization Knowledge" was a resounding success, providing students with valuable knowledge and skills in the fields of software development and data visualization. We look forward to organizing more such programs in the future to further enhance the capabilities of our students.

CERTIFICATE OF SPOKEN TUTORIAL TRAINING

To,
The Principal
Sri Sivani College of Engineering
Srikakulam - 532402
Andhra Pradesh

Subject - 2018-19 status of Training done in collaboration with IIT Bombay –ST (Spoken Tutorial)

As per agreement between **Sri Sivani College of Engineering** and Spoken Tutorial IT/Software Training Program by IIT Bombay initiated by National Mission on Education through ICT, MHRD, Govt. of India to promote IT literacy through Open Source Software.

The students of **Sri Sivani College of Engineering** have enrolled in various FOSS (Free and Open Source Software) developed and certified by IIT-Bombay during academic session 2018-19

Details of students enrolled in various FOSS under Spoken Tutorial IT/Software Training Program during academic session 2018-19.

Sr. No	Department/ Batch	FOSS	Participants
1	Computer Science and Engineering (B.Tech), 2016 Batch	C and Cpp	71
2	Computer Science and Engineering (B.Tech), 2017 Batch	C and Cpp	60
3	Computer Science Engineering (CSE B.Tech), 2015 Batch	Java	102
4	Computer Science Engineering (CSE B.Tech), 2015 Batch	C and Cpp	79
5	Electrical and Electronics Engineering (B. Tech), 2015 Batch	C and Cpp	12
6	Electrical and Electronics Engineering (B. Tech), 2015 Batch	Firefox	14
7	Electrical and Electronics Engineering (EEE), 2015 Batch	C and Cpp	43
8	Electrical and Electronics Engineering (EEE), 2016 Batch	C and Cpp	38

9	Electrical and Electronics Engineering (EEE), 2015 Batch	Firefox	43
10	Electronics and Communication Engineering (B.Tech), 2016 Batch	C and Cpp	56
11	Electronics and Communication Engineering (B.Tech), 2015 Batch	Python	83
12	Electronics and Communication Engineering (B.Tech), 2015 Batch	C and Cpp	69
13	Mechanical Engineering (B.Tech), 2015 Batch	C and Cpp	71
14	Mechanical Engineering (B.Tech), 2017 Batch	C and Cpp	18
15	Mechanical Engineering (B.Tech), 2015 Batch	OpenFOAM	71
16	Mechanical Engineering (B.Tech), 2016 Batch	C and Cpp	58

To,
Dr. G. T. Chandra Sekhar
Sri Sivani College of Engineering
Andhra Pradesh

Date: 16/05/2019

This is to express thanks and appreciation to **Dr. G. T. Chandra Sekhar**, for spreading awareness and holding Software Training workshops at **Sri Sivani College of Engineering, Andhra Pradesh**.

You are making an outstanding contribution of using ICT based teaching and learning methodology for students of Andhra Pradesh from last two years. Your contributions to the implementation of Spoken Tutorial Project are significant and have played a part in it becoming fastest growing NMEICT Project. Your excellent skills and courteous personality has helped tremendously in spreading awareness of Spoken Tutorial IIT Bombay.

I would like to personally thank you for contributing to the software training and awareness events in your Institute.

This work was done in association with the Spoken Tutorial IIT Bombay. As part of the National Mission on Education through ICT, funded by MHRD, Govt. Of India.

I am sure that we will continue to get your continued support for making India IT literate and spreading project existence in state of Andhra Pradesh.

Thanks & regards,

Shyama Iyer
