PROGRAM REPORT

Name of the program: Republic Day

Date: 26-01-2019

The Management, Principal, Staff and Students of Sri Sivani College of Engineering celebrated "**Republic Day**" in the college premises 26th January 2019.

The day was celebrated in our college with great enthusiasm. The university building was well decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

All the students and faculty members assembled in the ground by 7:30am. After some time the principal and other distinguished persons arrived. The Principal unfurled the national flag. This was followed by our National Anthem "Jana Gana Mana" sung by everyone who was present in the ground and then it was continued with a series of speeches. The Principal addressed the gathering, He emphasized the need for student participation in games and sports. The main attraction of Republic Day celebrations is singing a patriotic song, speech on freedom fighters, and dance on republic day theme by students. The entire program was nice.
