Recognised by UGC U/S 2 (f) & 12 (B)

ISO 9001 : 2015  
CERTIFIED CAMPUS

NH-16, Chilakapalem (Jn), Etcherla (M), Srikakulam - 532 410, A.P., Tel : : 08942 231106, 73826 51411

Date: 08<sup>th</sup> May, 2023

## ANNUAL E-GOVERNANCE REPORT FOR A.Y. 2022-23

E-Governance is the application of information & communication technologies to transform the efficiency, effectiveness, transparency and accountability of informational & transactional exchanges with in the college and other agencies to empower the stakeholders through access and use of information. It is both governance of the environment and governance within that environment using electronic tools.

The Principal is pleased to present the following Annual E-Governance Report of Sri Sivani College of Engineering (SSCE) for the Academic Year 2022-23.

The Institution has implemented E-Governance in the following areas of the operations:

1. Administration
2. Student Admissions and Support
3. Examination
4. Finance and Accounts

The details of the above are as follows:

### I. **Implementation of E-Governance in Administration College website**

[www.srisivani.com](http://www.srisivani.com)

- a. The College website issued for hosting information and notices from time to time related to administration and students. The website is constantly updated with respect to Placements, Conferences, Workshops, student events and information related to various committees like student welfare and grievance. Academic calendars, Examination time tables, End semester examination results and other related information are hosted in college website. In addition, details regarding various MoUs and program related feedbacks are posted.

Website : [www.srisivani.com](http://www.srisivani.com)

- b. The college submits its data annually on the AISHE (All India Survey on Higher Education) portal – <http://aishe.gov.in/aishe/institute> login page and in the AICTE portal – <http://portal.aicte-india.org/partnerportal.enu/>. Data is submitted on several parameters such as teacher, student enrollment, programs, examination results, placements, education finance and infrastructure. Indicators of Educational development such as institution density, gross enrollment ratio, student-teacher ratio and gender parity index. The college updates student and faculty related data is also submitted to the state government website: [https://affiliation.apcfss.in/ap\\_affiliation\\_2023/](https://affiliation.apcfss.in/ap_affiliation_2023/)

## **II. Implementation of E-Governance in Student admissions and support:**

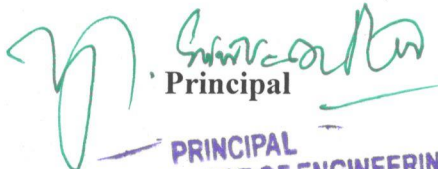

- a. Admission Details: The admission details including student admitted year, branch, register number, class, and category of the admissions are uploaded through the designated JNTUGV university website. Further details like fee reimbursement and other financial benefits received from the state government are uploaded through <https://jnanabhumi.ap.gov.in/> website. Students are required to submit a separate online application form for the taking to the college and for this purpose online software to be used by the admission coordinator.
- b. Academic Details: The Academic details of the students are uploaded to E-CAP server, our college existing automation. All details regarding their attendance and marks obtained in internal and external exams are uploaded for communicating the parents for their wards. The college has procured ECAP (Engineering Colleges Automation Package) offered by Webpros Solutions, Visakhapatnam for better and efficient E-Governance.

## **III. Implementation of E-Governance in Examination:**

The internal examination related details like exam schedule is posted in the college website. The external admission schedules are posted in the website and both the internal and external marks are uploaded to university portal. The results are given in the university portal which is displayed for students in college website. The student's marks, grades are also uploaded in the college E-CAP.

**IV. Implementation of E-Governance in Accounts and Finance:**

- a. Accounts: All the payments and receipts information are managed on Tally. All the Analysis reports are also generated through Tally. Advanced features help the staff to maintain financial records effectively and efficiently.
- b. Online Fees Payment: The college uses multiple soft wares like public financial management system (PFMS) which is used to manage the funds received from the government, Payroll management system which helps to automatically calculated the salary, generate salary slips, disperse the salary to the bank accounts, allowances etc. are managed by this system. Institution has successfully implemented cashless payment system through unified payment interfaces (UPI) such as Phonepe, Paytm, Google Pay and Internet payment. Majority of the students are paying the fees through online.
