## CIRCULAR

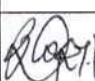

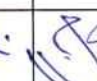

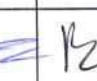

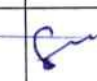

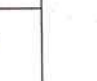

Here by informed that the IPR CELL is going to conduct A one day Workshop on "IPR in Renewable Energy Systems: Innovations, Patents, and Licensing" for all the students of B. tech on 13<sup>th</sup> Aug 2019 from 10am to 4pm. All the students have to report at the seminar hall sharp at 9:30am with the proper dress code and with ID cards. Attendance is mandatory.

Mr. P. Asish Kumar, Assistant Professor, Department of EEE is the coordinator of the program

Venue:SSCE-Seminar hall

## PROGRAM REPORT

A one day workshop on “IPR in Renewable Energy Systems: Innovations, Patents and Licensing” has been conducted on 13<sup>th</sup> Aug 2019 in the seminar hall of the college.

The following member is invited as Resource person for the seminar

**Dr.C.H.Rohini, Professor, MBA Department,** Bhimavaram Institute of Engineering and Technology Goraganamudi, Andhra Pradesh

**Mr.P.Asishkumar, Assistant Professor, Department of EEE** is the coordinator of the program

Eminent Resource person has expressed categorically the importance, day to day usage in life regarding the subject.

All the participants felt highly impressed and motivated of the Seminar. They expressed their interest and realized the importance of the Seminar. They feel that it is a real time experience for them in participating in the Seminar.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is to bring awareness in the young technical minds to understand themselves knowledge and confident in research. Leverage intellectual property rights to support the development and deployment of environmentally friendly renewable energy solutions, contributing to a greener and more sustainable future.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in that **A one day workshop on “IPR in Renewable Energy Systems: Innovations, Patents and Licensing** “have felt free and realized the importance of IPR and very much enthusiastic to get them absorbed in research after completion of their studies.

Forty students participated in the program.

### About the Institution:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2008.

SSCE offers B.Tech programmes in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programmes M.B.A, M.Tech and Diploma programmes like E.E.E, Mechanical, and Civil Engineering as second shift.

The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

### About the IPR CELL

The purpose of IPR cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students. IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff and students to protect their Intellectual Property rights generated through research work. IPR cell is working towards creating an innovative culture which fosters the creation of Intellectual Property and development of IPR at the college. The main objective of IPR cell is to create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. To advice and guide faculty and students on the importance of IPR. To conduct workshops, activities and training programs on IPR. To provide guidelines on applicable laws and regulations regarding IPR. To promote academic freedom and safeguard the interests of inventor in creation and commercialization of intellectual property with legal support wherever necessary. To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the education mission of the institute.

## A ONE DAY WORKSHOP ON IPR IN RENEWABLE ENERGY SYSTEMS: INNOVATIONS, PATENTS AND LICENSING ON 13-08-2019

**Organized by**  
**IPR CELL**

**SRI SIVANI COLLEGE OF ENGINEERING (W6)**  
**(Approved by AICTE, New Delhi and Permanently**  
**Affiliated to JNTUK, Kakinada-CC-W6,**  
**UGC Recognition under 2(f) & 12(B), Accredited by**  
**NAAC, ISO 9001:2008 Certified)**  
**NH-16, Chilakapalem Jn., Srikakulam District**  
**Andhra Pradesh - 532 410.**

**[www.srisivani.com](http://www.srisivani.com)**

**Objective :**

The objective of the seminar is to provide a comprehensive understanding of the importance of intellectual property rights.

Exploring emerging trends and challenges in intellectual property, considering technological advancements, globalization and evolving landscapes.

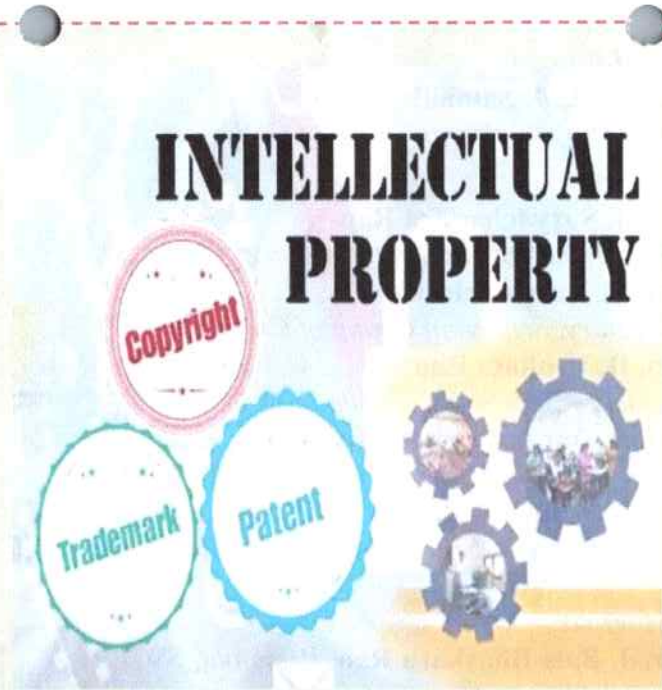

To highlight the legal and ethical aspects of respecting and protecting intellectual property, such as patents, trademarks, copyrights, and trade secrets

To empower students with the knowledge and skills necessary to navigate the complexities of patents and copyrights, contributing to a culture of responsible innovation and intellectual property management

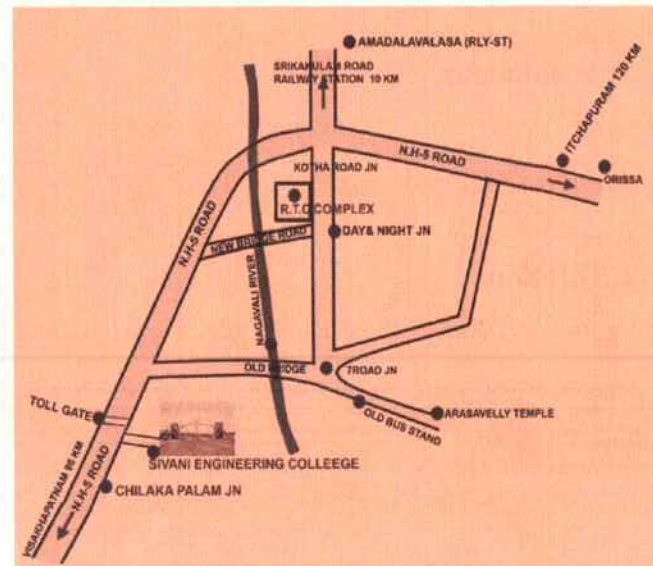

**Expected Outcomes:**

All the students who have participated in **A one day seminar on IPR in Renewable Energy systems: Innovations, Patents and Licensing** have felt free and realized the importance of IPR and the program aims to create a positive impact on the students and the broader community, promoting a culture of responsible innovation and effective management of intellectual property rights. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively.

## PROGRAM REPORT

It is to inform that **A One Day Workshop for Computer Science Undergraduates "Research Skills for Innovation in Computer Science"** has been conducted on 03.09.2019 from 10am to 4pm in the digital hall.

The following member is invited as a Resource person for the seminar.

Mr. Ch. Ravi Kishor, Assoc. Prof, Department of CSE, AITAM, Tekkali, Srikakulam, A.P.

Mr. M. Murali Krishna, Assistant Professor, CSE department is the coordinator of the program.

### OBJECTIVES OF THE PROGRAM

The objective of the program is to analyze a complex computing problem and to apply principles of computing and other relevant disciplines to identify solutions. Design, implement, and evaluate a computing-based solution to meet a given set of computing requirements in the context of the program's discipline.

### OUTCOMES OF THE PROGRAM

All the students who have participated in A One Day Workshop for Computer Science Undergraduates "Research Skills for Innovation in Computer Science" learn the importance of computing innovation can be seen in several key aspects: Technological Advancement: Computing innovation fuels technology innovation across multiple industries. It drives the development of more powerful processors, advanced software applications, and cutting-edge hardware systems.

In this programme fifty-seven students participated.

## PROGRAM REPORT

Date:18/09/2019

This is to inform to all the students that the Dept of EDC Cell is going to conduct **A One-day Workshop on Titled Entrepreneurship and Career.**

The following member is invited as a Resource person for the Workshop

**Mr. K. Akhil**, Asst.professor, Dept. Of CSE,Rajamahendri Institute of Engineering & Technology, Rajahmundry, Andhra Pradesh.

highlighted the importance of Entrepreneurship and Career

The expert sessions covered various aspects of Entrepreneurship & Career:

- **Idea Generation Techniques:**

Generating innovative ideas is a crucial step towards entrepreneurial success. This slide will discuss various idea generation techniques such as brainstorming, mind mapping, and prototyping. By encouraging out-of-the box thinking and creating a supportive environment, entrepreneurs can nurture a culture of idea generation.

- **Creating an Innovative Culture:**

To foster entrepreneurial success, it is essential to create an innovative culture within the organization. This slide will explore strategies for encouraging creativity, empowering employees, and embracing failure as a learning opportunity. By fostering a culture that values innovation, entrepreneurs can inspire their teams to think creatively and drive business growth.

- **Entrepreneurial Mindset :**

Developing an entrepreneurial mindset is key to fostering success. This slide will highlight the characteristics of successful entrepreneurs, including resilience, adaptability, and perseverance. By cultivating these qualities and maintaining a growth mindset, entrepreneurs can overcome challenges and seize opportunities.

All the Participants felt highly impressed and motivated of the seminar. They feel that it is a real time experience for them in participating in the seminar.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is to bring awareness in the students about Fostering Entrepreneurial Success: Nurturing Innovation and Idea Generation. In this session, we will explore the key factors that contribute to entrepreneurial success and how to foster a culture of innovation. Let us dive in!

### **OUTCOMES OF THE PROGRAM**

All the students who are participate in the program have felt free and realised the importance of knowledge about In conclusion, fostering entrepreneurial success requires nurturing a culture of innovation and idea generation. By embracing creativity, encouraging idea generation techniques, creating an innovative culture, and developing an entrepreneurial mindset, entrepreneurs can position themselves for long-term success. Now, it is time to unleash your entrepreneurial potential and make a positive impact in the business world!

**Date: 17.10.2019**

## **PROGRAM REPORT**

**A one day workshop on IPR strategies for Business growth: Leveraging Innovations and intellectual assets** has been conducted on **16<sup>th</sup> Oct 2019** in the Digital Class room of Block 3 .

The following member is invited as Resource person for the seminar

**Mr.G.Sudharam, Assistant Professor,** Karmaveer Dadasaheb Kannamwar College of Engineering, Nagpur, Maharashtra

**Mr. B.Prasada Rao, Professor, Department of MBA** is the coordinator of the program.

In this seminar, the students were taught about the Intellectual Property Rights and their principles. Also the students were given enough information about how to use the knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in the Indian judicial system

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is to bring awareness in the young technical minds to understand themselves knowledge and confident in research. Increase understanding about the significance of intellectual property rights in the current global economic landscape. To highlight the legal and ethical aspects of respecting and protecting intellectual property, such as patents, trademarks, copyrights, and trade secrets

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A one day workshop on IPR strategies for Business growth: Leveraging Innovations and intellectual assets** have felt free and realized the importance of IPR and the program aims to create a positive impact on the students and the broader community, promoting a culture of responsible innovation and effective management of intellectual property rights.

Thirty one students participated in the program

#### About the Institution:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2008.

SSCE offers B.Tech programmes in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programmes M.C.A, M.B.A, M.Tech and Diploma programmes like E.E.E, Mechanical, and Civil Engineering as second shift.

The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

#### About the IPR CELL

The purpose of IPR cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students. IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff and students to protect their Intellectual Property rights generated through research work. IPR cell is working towards creating an innovative culture which fosters the creation of Intellectual Property and development of IPR at the college. The main objective of IPR cell is to create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. To advice and guide faculty and students on the importance of IPR. To conduct workshops, activities and training programs on IPR. To provide guidelines on applicable laws and regulations regarding IPR. To promote academic freedom and safeguard the interests of inventor in creation and commercialization of intellectual property with legal support wherever necessary. To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the education mission of the institute.

### Objective :

The objective of the seminar is to provide a comprehensive understanding of the importance of intellectual property rights.

Exploring emerging trends and challenges in intellectual property, considering technological advancements, globalization and evolving landscapes.

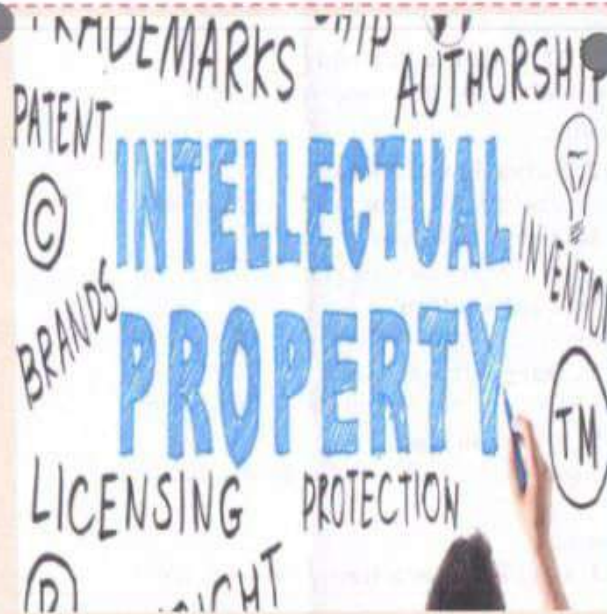

To highlight the legal and ethical aspects of respecting and protecting intellectual property, such as patents, trademarks, copyrights, and trade secrets .

To empower students with the knowledge and skills necessary to navigate the complexities of patents and copyrights, contributing to a culture of responsible innovation and intellectual property management

### Expected Outcomes:

All the students who have participated in **A one Day Seminar on IPR Strategies for Business Growth: Leveraging Innovations and Intellectual Assestshave** felt free and realized the importance of IPR and the program aims to create a positive impact on the students and the broader community, promoting a culture of responsible innovation and effective management of intellectual property rights. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively.

## CIRCULAR

This is to inform to all the students that the R&D Cell is going to conduct **A One-Day Workshop for Science and Engineering "Scientific Research Techniques"** on 11-12-2019 from 10am to 4pm.

Mr. L.S. S. Deekshit, Assistant Professor, Mechanical Engineering Department is the coordinator of the program.

All the students have to attend the seminar in the digital seminar hall of the H&BS department at 9:30am with the proper dress code and with ID cards.

## PROGRAM REPORT

Here by informed that **A One-Day Workshop for Science and Engineering “Scientific Research Techniques”** has been conducted on 11.12.2019 from 10am to 4pm in the seminar hall.

The following member is invited as a Resource person for the seminar.

Mr. M. Jeevankumar, Asst. Prof, H&BS Department Chaithanya Bharathi Institute of Technology, Prodduturu, Kadapa, A.P.

Mr. L. S. S. Deekshit, Assistant Professor, Mechanical Engineering Department is the coordinator of the program.

A prolific Resource person has expressed the importance, Scientific Research Techniques usage in life regarding the subject.

All the participants felt highly impressed and motivated of the Seminar. They expressed their interest and realized the importance of the Seminar. They feel that it is a real time experience for them in participating in the Seminar.

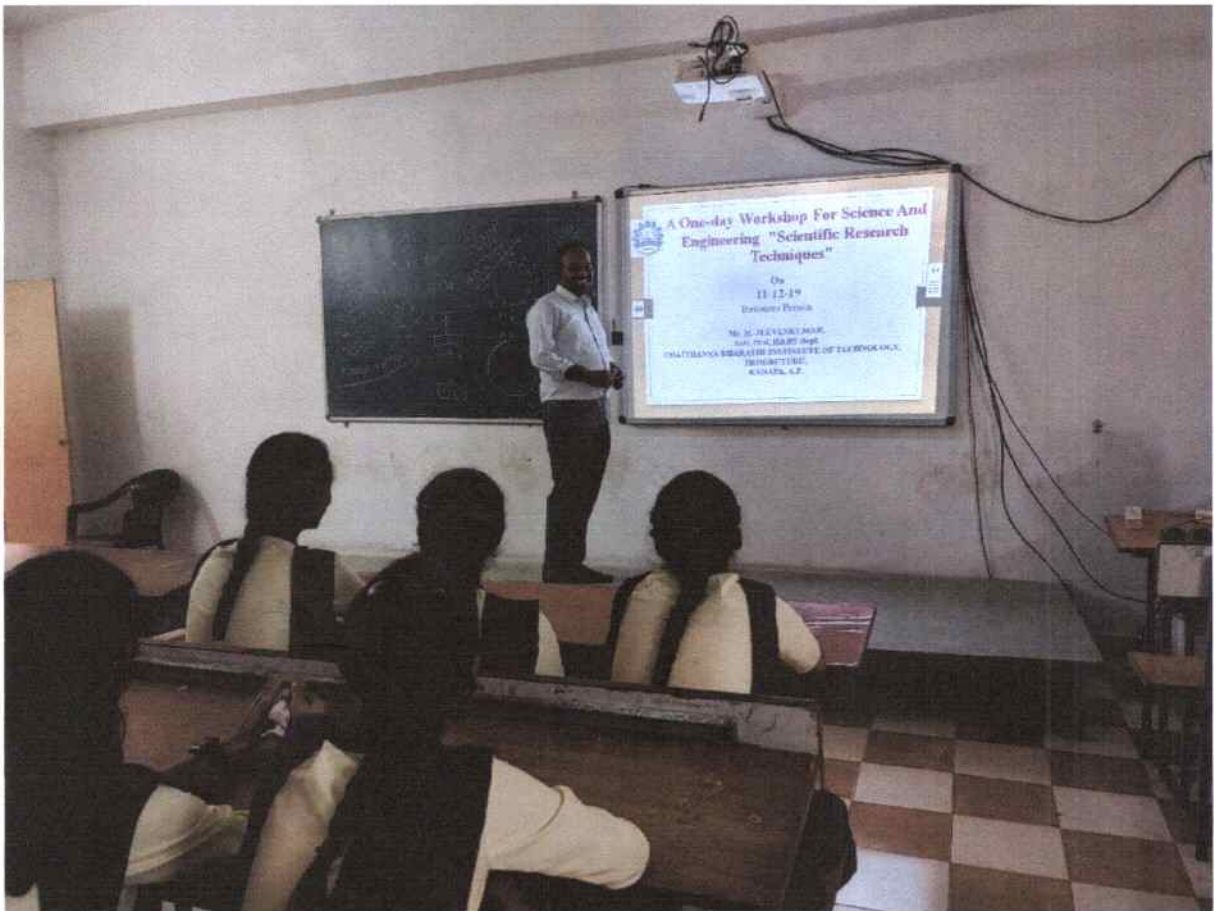

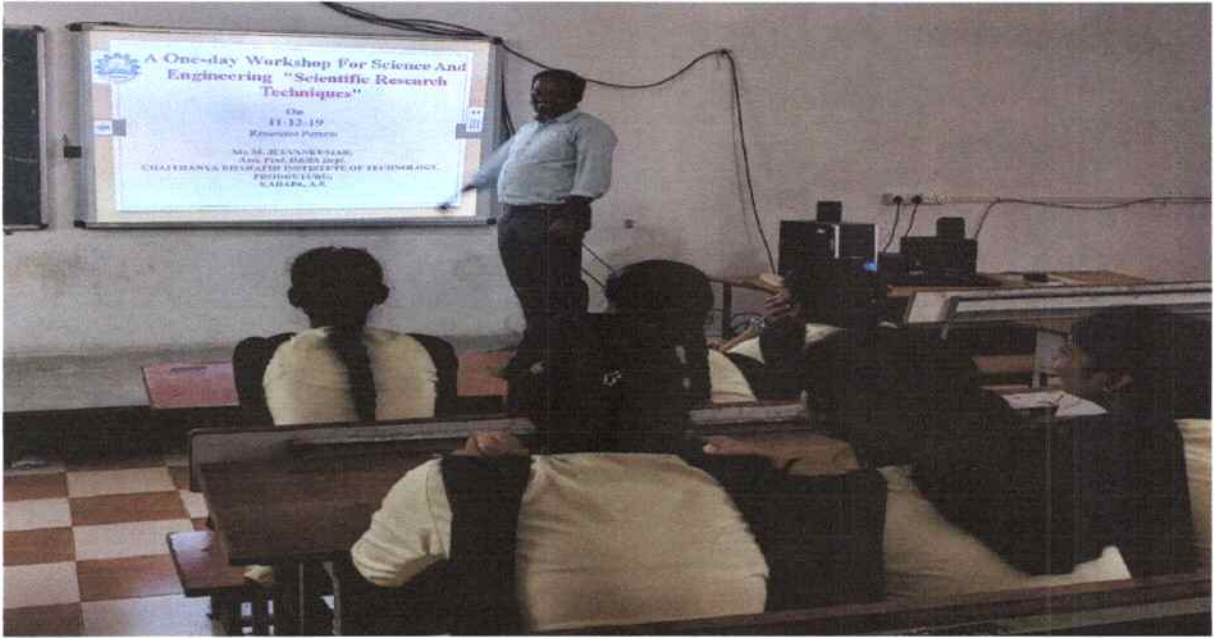

### OBJECTIVES OF THE PROGRAM

The objective of the program is the goal of scientific research is to discover laws and postulate theories that can explain natural or social phenomena, or in other words, build scientific knowledge. It is important to understand that this knowledge may be imperfect or even quite far from the truth.

### OUTCOMES OF THE PROGRAM

All the students who have participated in **A One-Day Workshop for Science and Engineering “Scientific Research Techniques”** Scientific knowledge allows us to develop new technologies, solve practical problems, and make informed decisions both individually and collectively.

In this programme fifty-four students participated.

## A ONE-DAY WORKSHOP FOR SCIENCE AND ENGINEERING "SCIENTIFIC RESEARCH TECHNIQUES" ON 11.12.2019

#### Organized by

**DEPARTMENT OF R&D CELL**

**SRI SIVANI COLLEGE OF ENGINEERING (W6)**

**(Approved by AICTE, Delhi and Permanently**

**affiliated to JNTUK, Kakinada,**

**UGC Recognition under 2(f) & 12(B),**

**'A' Grade by AP Knowledge Mission,**

**ISO 9001:2015 certified)**

**CHILAK APALEM Jn., SRIKAKULAM.**

**Andhra Pradesh - 532 410.**

**[www.srisivani.com](http://www.srisivani.com)**

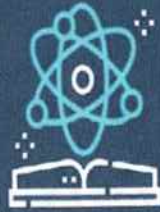

### Research Methods

Behaviors and instruments used in the selection and construction of the research technique

### Research Methodology

Science of understanding how research is performed methodically

VS

#### Objective:

The objective of the program is to bring awareness in the young technical minds to understand themselves knowledge and confident in research.

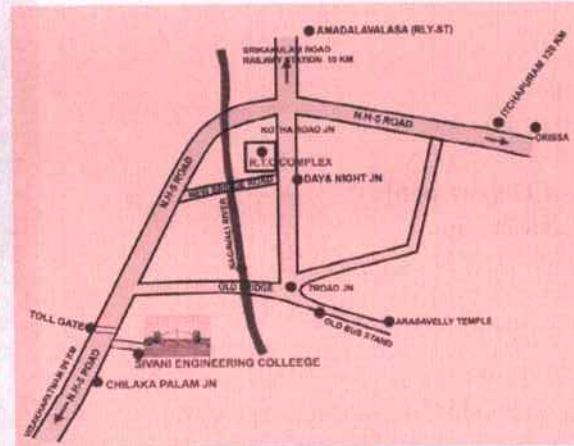

#### Expected Outcomes:

All The Students Who Have Participated In A One-Day Workshop for Science and Engineering "Scientific Research Techniques" "Have Felt Free And Realized The Importance Of Research And Very Much Enthusiastic To Get Them Absorbed In Research After Completion Of Their Studies.

\*\*\*\*Spot Registration is available\*\*\*\*

## PROGRAM REPORT

A one day seminar on "Intellectual Property Rights: Emerging issues and Challenges" has been conducted on 23<sup>rd</sup> Dec 2019 in the Digital Hall of H&BS department.

The following member is invited as Resource person for the seminar

**Mr.K.V.G Srinivas, Assistant Professor, ANITS, Visakhapatnam, A.P.**

**Mr.P.Revanth Kumar, Assistant professor of Civil Engineering** is the coordinator of the program.

The seminar was interactive to all the students present especially who are mostly involved in research activities and those who want to apply for patents for their research work

Eminent Resource person has expressed categorically the importance, day to day usage in life regarding the subject. All the students felt highly impressed and motivated of the Seminar. They expressed their interest and realized the importance of the Seminar. They feel that it is a real time experience for them in participating in the Seminar.

## **OBJECTIVES OF THE PROGRAM**

The objective of this program is to empower students with the knowledge and skills necessary to navigate the complexities of patents and copy rights, contributing to a culture of responsible innovation and intellectual property management. The objective of program is to harness and promote awareness about IPR to enhance creativity, innovation, competitiveness and economic growth in India

## **OUTCOMES OF THE PROGRAM**

All the students who have participated in A one day seminar on "Intellectual Property Rights: Emerging issues and Challenges" have felt free and realized the importance of intellectual property rights and very much enthusiastic to get them absorbed in research after completion of their studies. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively  
Thirty seven students participated in the program.

A handwritten signature in black ink, consisting of stylized cursive letters, positioned above the title 'Program Coordinator'.

### About the Institution:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2008. SSCE offers B.Tech programmes in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programmes M.B.A, M.Tech and Diploma programmes like E.E.E, Mechanical, and Civil Engineering as second shift. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

### About the IPR CELL

The purpose of IPR cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students. IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff and students to protect their Intellectual Property rights generated through research work. IPR cell is working towards creating an innovative culture which fosters the creation of Intellectual Property and development of IPR at the college. The main objective of IPR cell is to create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. To advice and guide faculty and students on the importance of IPR. To conduct workshops, activities and training programs on IPR. To provide guidelines on applicable laws and regulations regarding IPR. To promote academic freedom and safeguard the interests of inventor in creation and commercialization of intellectual property with legal support wherever necessary. To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the education mission of the institute.

## PROGRAM REPORT

A one Day seminar on "Navigating Intellectual Property: Understanding Patents, Copyrights, And Trademarks" has been conducted on 23<sup>rd</sup> Jan 2020 in the Digital Hall of H&BS department.

The following member is invited as Resource person for the seminar

**Dr.D.Naga Purnima, Professor, Department of Humanities and Sciences,** Rajamahendri Institute Of Engineering And Technology ,Andhra Pradesh

**Dr.B.Prasada Rao, Assistant professor, Department of MBA** is the coordinator of the program.

The resource person explained about patent, copy right and trade mark

Patent is an exclusive right granted for an invention, which is a product or a process that provides a new way of doing something, or offers a new technical solution to a problem. Copyright is an exclusive right given to the author of the original literary, architectural, dramatic, musical and artistic works, cinematograph films, and sound recordings

## **OBJECTIVES OF THE PROGRAM**

The objective of the program is to bring awareness in young technical minds to understand themselves knowledge and confident in research. Increase understanding about the significance of intellectual property rights in the current global economic landscape. To highlight the legal and ethical aspects of respecting and protecting intellectual property, such as patents, trademarks, copyrights and trade secrets.

## **OUTCOMES OF THE PROGRAM**

All the students who have participated in that **A One Day Workshop On "Navigating Intellectual Property: Understanding Patents, Copyrights, And Trademarks"** have felt free and realized the importance of IPR and very much enthusiastic to get them absorbed in research after completion of their studies.

Thirty two students participated in the program.

### About the Institution:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2008.

SSCE offers B.Tech programmes in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programmes M.C.A, M.B.A, M.Tech and Diploma programmes like E.E.E, Mechanical, and Civil Engineering as second shift. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

### About the IPR CELL

The purpose of IPR cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students. IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff and students to protect their Intellectual Property rights generated through research work. IPR cell is working towards creating an innovative culture which fosters the creation of Intellectual Property and development of IPR at the college. The main objective of IPR cell is to create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. To advice and guide faculty and students on the importance of IPR. To conduct workshops, activities and training programs on IPR. To provide guidelines on applicable laws and regulations regarding IPR. To promote academic freedom and safeguard the interests of inventor in creation and commercialization of intellectual property with legal support wherever necessary. To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the education mission of the institute.

## CIRCULAR

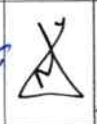

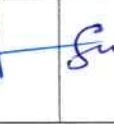

This is to inform to all the students that the R&D Cell is going to conduct **A One Day Workshop On " Research Skills for Innovation in Electronics and Communication Engineering "** on 12-02-2020 from 10am to 4pm.

All the students have to attend the seminar in the seminar hall of the H&BS department at 9:30am with the proper dress code and with ID cards.

**Sri. S. Nagarjuna, Asst. Prof, Dept of ECE** is the coordinator of the program.

## **PROGRAM REPORT**

It is to inform that **A One Day Workshop On "Research Skills for Innovation in Electronics and Communication Engineering"** has been conducted on 12-02-2020 from 10am to 4pm in the seminar hall.

The following member is invited as a Resource person for the seminar.

**Mr. B. Vijay Bhaskar, Assoc. Prof, ECE Dept. Sri Venkateswara College of Engineering, Etcherla, Srikakulam, A.P.**

**Sri. S. Nagarjuna, Asst. Prof, Dept of ECE** is the coordinator of the program.

### **OBJECTIVES OF THE PROGRAM**

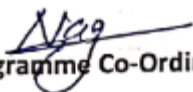

The objective of the program is to bring awareness in the young technical minds to understand themselves knowledge and confident in research.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A one Day Workshop On "Research Skills For Innovation In Electronics And Communication Engineering"** have felt free and realized the importance of research and very much enthusiastic to get them absorbed in research after completion of their studies.
