## List of Seminars/Workshops

A.Y.2021-22

S.No.	Name of the Programme	Date	No. of Participants	Details of the Resource Person
1	A one day seminar on latest trends in research	16.10.2021	30	Mr. Battina Tatalu, Professor, Department Of H&Bs, Sri Sivani College of Engineering.
2	A one day seminar on challenges in intellectual property rights	21.12.2021	38	Mr. K. Ravi Kumar, Assistant Professor, Department of MBA, Sri Sivani College of Engineering, Srikakulam District, Andhra Pradesh.
3	A One-Day Workshop On Career Guidance "Next Steps After B. Tech"	28.01.2022	41	Dr. Ram Dayani, professor, English Dept. Bhimavaram Institute of Engineering and Technology, Goraganamudi, A.P
4	A One Day Seminar On Research and Development	09.02.2022	43	Mr. Y. Suresh, HOD, MECH, Gonna Institute Of Information Technology and Sciences, Aganampudi, Vsp, A.P.
5	A One Day Seminar on Intellectual Property Rights: Creating Awareness about Patents, Copy Rights	24.02.2022	39	Mrs. CH. Keerthana, Assistant Professor, Department of MBA, Sri Sivani College of Engineering, Srikakulam District, Andhra Pradesh.
6	A one day seminar on research trends in soft skills	16.03.2022	35	Sri. Madhukumar Kallakuri, Asst. Prof Of English, Dept Of H&Bs
7	A one day seminar on Contemporary issues in Intellectual Property Rights	24.03.2022	38	Mr.J.Kiran Chandra Sekhar , Associate Professor, Rajamahendri Institute of Engineering and Technology ,Rajamahendravaram, A.P.
8	A One-Day Workshop On Titled B.Tech Career Road Map To Success.	07.04.2022	37	Mr. P.Suman, Asst.professor, Dept. Of Mech, Aditya Institute of Technology and management, Tekkali, A.P.
9	A One-Day Workshop On Titled Bridging The Gap From Ideas To Innovation.	16.04.2022	49	Mr. P.Sheela, Asst.professor, Dept. Of CSE, West Godavari Institute of Engineering and Technology, Tadepalligudem, A.P
10	A One Day Seminar On Research on Advancement Of IOT	26.04.2022	46	Mr. Ch. Krishna Rao Professor, EEE Dept. AITAM, Tekkali Srikakulam, A.P.

## PROGRAM REPORT

It is to inform that **A One Day Seminar on Latest Trends in Research** has been conducted on 16/10/2021 [10am to 4pm] in the seminar hall.

The following member is invited as a Resource person for the seminar.

Mr. Battina Tatalu, Professor, Department of H&BS, Sri Sivani College of Engineering.

Mr. S. Laxmanaraju, Assistant Professor, Department of Mechanical is the coordinator of the program.

Three legendary Resource person has expressed categorically the importance, day to day usage in life regarding the subject.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is the digital revolution has opened up new avenues for research. Digital research methods utilize digital tools, online surveys, social media data, and other digital sources for data collection and analysis.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A One Day Seminar on Latest Trends in Research** have learned the Emerging trends patterns, behaviors, or preferences that are gaining popularity or influence in a specific industry, niche, or audience. They can be driven by various factors, such as technology, culture, social media, events, or customer feedback.

### ABOUT THE INSTITUTION:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2015. SSCE is situated in a spacious 11 acres campus adjacent to NH-16 at chilkapalem village. The college is easily accessible to all the districts nearby Srikakulam.

SSCE offers B.Tech programs in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programs, M.B.A, M.Tech and Diploma programs like E.E.E, Mechanical, and Civil Engineering as second shift.

SSCE is completely Wi-Fi enabled and equipped with well established laboratories. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

**Date: 22.12.2021**

## PROGRAM REPORT

A one day seminar on **Challenges in Intellectual Property Rights** has been conducted on 21<sup>st</sup> Dec 2021 in the Digital class room of Block 3.

The following member is invited as Resource person for the seminar

**Mr. K. Ravi Kumar, Assistant Professor, Department of MBA**, Sri Sivani College of Engineering, Srikakulam District, Andhra Pradesh.

**Dr.B.Prasada Rao, Professor, Department of MBA** is the coordinator of the program.

The resource person explained about challenges of Intellectual Property Rights such as global infringement, difficulty in enforcement across borders, evolving technologies outpacing legal frame works and balancing innovation incentives with public access to information

### **OBJECTIVES OF THE PROGRAM**

The objective of this program is to empower students with the knowledge and skills necessary to navigate the complexities of patents and copy rights, contributing to a culture of responsible innovation and intellectual property management. To encourage widespread awareness and understanding of the role that intellectual property plays in fostering a creative and innovative culture.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A one day seminar on Challenges in Intellectual Property Rights** have felt free and realized the importance of **Intellectual Property Rights** and aims to create a positive impact on the students and the broader community, promoting a culture of responsible innovation and effective management of intellectual property rights. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively

### About the IPR CELL

The purpose of IPR cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students. IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff and students to protect their Intellectual Property rights generated through research work. IPR cell is working towards creating an innovative culture which fosters the creation of Intellectual Property and development of IPR at the college. The main objective of IPR cell is to create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. To advice and guide faculty and students on the importance of IPR. To conduct workshops, activities and training programs on IPR. To provide guidelines on applicable laws and regulations regarding IPR.

## A ONE DAY SEMINAR ON CHALLENGES IN INTELLECTUAL PROPERTY RIGHTS

ON 21-12-2021

Organized by

IPR CELL

**SRI SIVANI COLLEGE OF ENGINEERING (W6)**

(Approved by AICTE, Delhi and Permanently

affiliated to JNTUK, Kakinada,

UGC Recognition under 2(f) & 12(B),

'A' Grade by AP Knowledge Mission,

ISO 9001:2015 certified)

CHILAKAPALEM Jn., SRIKAKULAM.

Andhra Pradesh - 532 410.

[www.srisivani.com](http://www.srisivani.com)

**Objective :**

The objective of the seminar is to provide a comprehensive understanding of the importance of intellectual property rights.

Exploring emerging trends and challenges in intellectual property, considering technological advancements, globalization and evolving landscapes. To highlight the legal and ethical aspects of respecting and protecting intellectual property, such as patents, trademarks, copyrights, and trade secrets.

To empower students with the knowledge and skills necessary to navigate the complexities of patents and copyrights, contributing to a culture of responsible innovation and intellectual property management

**Expected Outcomes:**

All the students who have participated in **A one day seminar on challenges in Intellectual Property Rights** have felt free and realized the importance of IPR and the program aims to create a positive impact on the students and the broader community, promoting a culture of responsible innovation and effective management of intellectual property rights. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively.

## PROGRAM REPORT

**Date:28/01/2022**

This is to inform to all the students that the Dept of EDC Cell is going to conduct **A One-day Workshop on Career Guidance “Next Steps After B.Tech”**.

The following member is invited as a Resource person for the Workshop

**Dr. S. Ram Dayani**, professor, English Dept, Bhimavaram Institute of Engineering & Technology, Goraganamudi, Andhra Pradesh.

highlighted the importance of Career Guidance Next steps after B.tech

The expert sessions covered various aspects of opportunities next after B.tech :

- **Charting Your Path:** Navigating Career Options after BTech'. In this presentation, we will explore various career options available to BTech graduates and provide valuable insights on how to make informed decisions. Join us as we embark on this professional journey together.
- **Exploring Career Options:**  
Discover a wide range of career options available to BTech graduates. Evaluate your interests, skills, and goals to identify the best fit. Research industries and job profiles to gain a deeper understanding. Network with professionals to gather insights and advice. Consider factors like growth prospects, work-life balance, and job satisfaction to make an informed decision.
- **Building a Strong Foundation:**  
Focus on building a strong foundation through continuous learning and skill development. Enhance your technical expertise through certifications, workshops, and online courses. Develop transferable skills like communication, leadership, and problem-solving to stand out in the competitive job market. Seek internships, co-op programs, or research opportunities to gain practical experience and make valuable industry connections.

All the Participants felt highly impressed and motivated of the seminar. They feel that it is a real time experience for them in participating in the seminar.

## OBJECTIVES OF THE PROGRAM

The objective of the program is to bring awareness in the students about Network strategically to expand your professional circle. Attend industry events, job fairs, and conferences to connect with potential employers and professionals. Utilize online platforms like LinkedIn to showcase your skills and expertise. Engage in informational interviews to gain insights into different career paths. Join professional organizations or communities to access mentorship and job opportunities.

## OUTCOMES OF THE PROGRAM

All the students who are participate in the program have felt free and realised the importance about As BTech graduates, you have a world of career opportunities ahead. By exploring, building, overaging, and crafting, you can navigate the vast landscape of career options with confidence. Remember to stay proactive, adaptable, and passionate in your pursuit of a fulfilling and successful career. Best of luck on your journey!

## SRI SIVANI COLLEGE OF ENGINEERING

*We're here to help!*

( One of the top-rated colleges in India )

Srikakulam, Andhra Pradesh

### About the Institution:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2015.

SSCE is situated in a spacious 11 acres campus adjacent to NH-16 at chilkapalem village. The college is easily accessible to all the districts nearby Srikakulam.

SSCE offers B.Tech programmes in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programmes M.C.A, M.B.A, MTech and Diploma programmes like E.E.E, Mechanical, and Civil Engineering as second shift.

SSCE is completely Wi-Fi enabled and equipped with well-established laboratories. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

## PROGRAM REPORT

It is to inform that **A One Day Seminar on Research and Development** has been conducted on **09-02-2022** [10am to 4pm] in the Digital Hall.

The following member is invited as a Resource person for the seminar.

Mr. Y. Suresh, HOD, Mech, Gonna Institute of Information Technology and Sciences, Aganampudi, VSP, A.P.

Sri. P. Asishkumar, Asst. Prof, Dept. of EEE is the coordinator of the program.

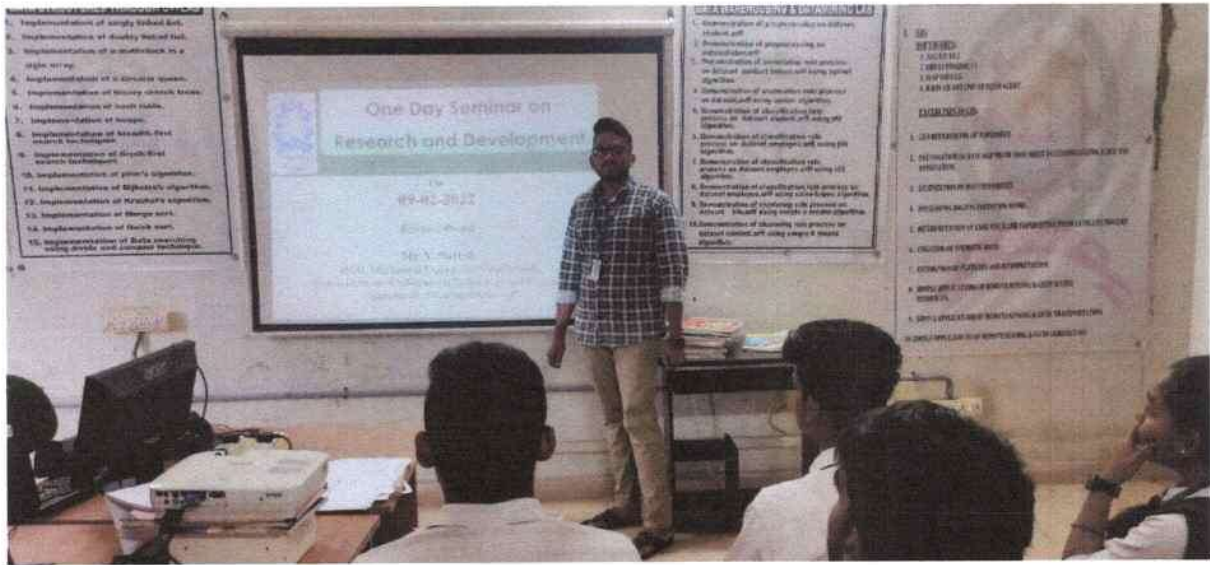

Eminent Resource person hse expressed categorically the importance, day to day usage in life regarding the subject.

### **OBJECTIVES OF THE PROGRAM**

R&D is usually conducted to create new products, it can also help acquire knowledge. Companies should invest in R&D because it is a powerful driver of economic growth and development in the long run.

### **OUTCOMES OF THE PROGRAM**

Research and development represent the activities companies undertake to innovate and introduce new products and services or to improve their existing offerings. R&D allows a company to stay ahead of its competition by catering to new wants or needs.

Date:25.02.2022

## PROGRAM REPORT

A one day seminar on Intellectual Property Rights creating awareness about Patents, Copy Rights has been conducted on 24<sup>th</sup> Feb 2022 in the Digital Class Room of Block 3.

The following member is invited as Resource person for the seminar

**Mrs. CH.Keerthana, Assistant Professor, Department of MBA, Sri Sivani College of Engineering, Srikakulam District, Andhra Pradesh.**

**Mr. S.Laxman Raju, Assistant professor, Department of Mechanical Engineering** is the coordinator of the program

The seminar was interactive to all the students present especially who are mostly involved in research activities and those who want to apply for patents for their research work

Eminent Resource person has expressed categorically the importance, day to day usage in life regarding the subject. All the students felt highly impressed and motivated of the Seminar. They expressed their interest and realized the importance of the Seminar. They feel that it is a real time experience for them in participating in the Seminar.

### **OBJECTIVES OF THE PROGRAM**

The objective of this program is to empower students with the knowledge and skills necessary to navigate the complexities of patents and copy rights, contributing to a culture of responsible innovation and intellectual property management.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A one day seminar on Intellectual Property Rights: Creating Awareness about Patents, Copy Rights** have felt free and realized the importance of intellectual property rights and very much enthusiastic to get them absorbed in research after completion of their studies. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively

Thirty nine students participated in the program.

#### **About the Institution:**

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2015.

SSCE offers B.Tech programmes in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programmes M.C.A, M.B.A, M.Tech and Diploma programmes like E.E.E, Mechanical, and Civil Engineering as second shift. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

#### **About the IPR CELL**

The purpose of IPR cell is to facilitate, encourage, promote and safeguard scientific inquiry, research pursuits and the academic freedom of its faculty, researchers and students. IPR cell conducts activities to provide a clear understanding of the rights and responsibilities of the faculty, staff and students to protect their Intellectual Property rights generated through research work. IPR cell is working towards creating an innovative culture which fosters the creation of Intellectual Property and development of IPR at the college. The main objective of IPR cell is to create awareness and educate on Intellectual property rights (IPR) among faculty and students of the college. To advice and guide faculty and students on the importance of IPR. To conduct workshops, activities and training programs on IPR. To provide guidelines on applicable laws and regulations regarding IPR. To promote academic freedom and safeguard the interests of inventor in creation and commercialization of intellectual property with legal support wherever necessary. To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the education mission of the institute.

CHILAKAPALEM Jn., SRIKAKULAM.

Andhra Pradesh - 532 410.

**[www.srisivani.com](http://www.srisivani.com)**

### Objective :

The objective of the seminar is to provide a comprehensive understanding of the importance of intellectual property rights.

Exploring emerging trends and challenges in intellectual property, considering technological advancements, globalization and evolving landscapes.

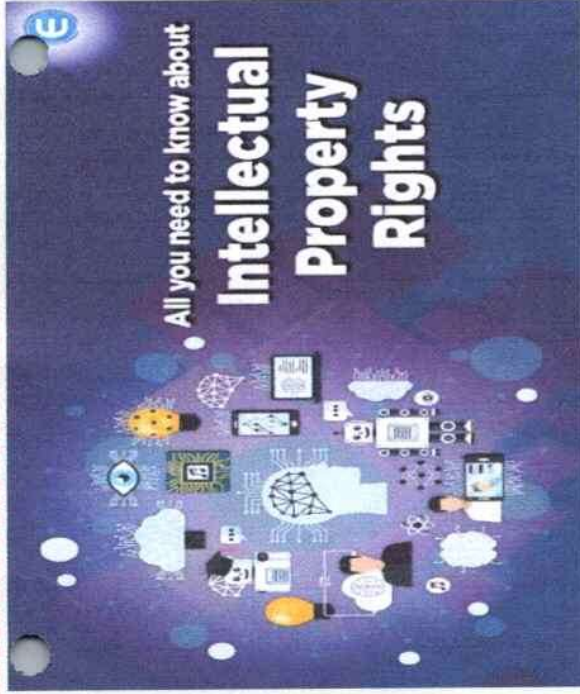

To highlight the legal and ethical aspects of respecting and protecting intellectual property, such as patents, trademarks, copyrights, and trade secrets .

To empower students with the knowledge and skills necessary to navigate the complexities of patents and copyrights, contributing to a culture of responsible innovation and intellectual property management

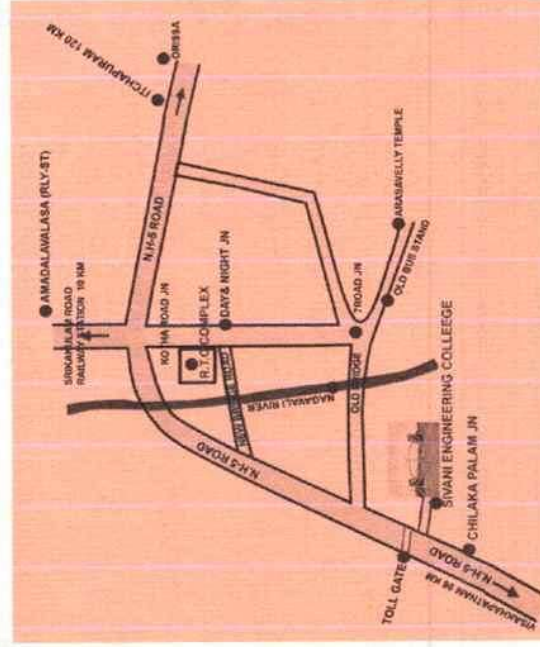

### Expected Outcomes:

All the students who have participated in **A one day seminar on Intellectual Property Rights: Creating Awareness about Patents, Copy Rights** have felt free and realized the importance of IPR and the program aims to create a positive impact on the students and the broader community, promoting a culture of responsible innovation and effective management of intellectual property rights. Students will acquire a deeper understanding of the legal frameworks governing patents and copyrights, enabling them to navigate intellectual property issues more effectively.

**Date:** 17-03-2022

## PROGRAM REPORT

It is to inform that **A One Day Seminar on Research Trends in Soft Skills** has been conducted on 16-03-2022 [10am to 4pm] in the Digital Hall of H&BS department.

The following member is invited as a Resource person for the seminar.

Sri. Madhukumar Kallakuri, Asst. Prof of English, Dept. of H&BS

Mr. M. Govinda Rao, Assistant Professor of English, H &BS Department is the coordinator of the program.

A learned man as a Resource person has expressed categorically the importance, day to day usage in life regarding the subject.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is one of the research studies tried to list out the vital soft skills such as communication skills, making decisions, motivating the self, leadership skills, team-working skills, creativity skills, problem-solving skills, time management skills, and stress management skills.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A One Day Seminar on Research Trends in Soft Skills** taught them Human Resources, soft skills are often associated with competencies such as “teamwork, communication, resilience or commitment”. The difficulty with this type of concept is that it is complex to measure their impact.

In this programme thirty-five students participated.

This is to inform to all the students that the Dept of EDC Cell is going to conduct **A One-day Workshop on Titled B.Tech Career Road map to Success .**

The following member is invited as a Resource person for the Workshop

**Mr.P.Suman**, Asst.professor, Dept. Of Mech, Aditya Institute of Technology & Management, Tekkali, A.P

highlighted the importance of B.tech career roadmap to success

The expert sessions covered various aspects of B.tech career road map to success:

- **B.Tech Career:**

Building a Bright Future. In this session, we will explore the key steps and strategies to carve out a rewarding career in the field of B.Tech. Join us as we discuss the essential skills, opportunities, and challenges that lie ahead. Let us get started!

- **Choosing the Right Specialization:**

Selecting the ideal specialization is crucial for a successful B.Tech career. Research various branches, consider your interests, and evaluate future prospects. Seek guidance from professionals and seniors to make an informed decision. Remember, a well-chosen specialization sets the foundation for your future endeavors.

- **Gaining Practical Experience:**

While theoretical knowledge is essential, gaining practical experience is equally important. Engage in internships, projects, and workshops to apply your learning. Seek opportunities to work on real-world problems, collaborate with industry experts, and enhance your skills. Practical experience sets you apart and boosts your employability.

- **Networking and Professional Development:**

Building a strong professional network is vital for career growth. Attend industry events, join professional organizations, and connect with peers, mentors, and industry leaders. Engage in

continuous professional development through workshops, seminars, and certifications. Networking and ongoing learning open doors to new opportunities.

All the Participants felt highly impressed and motivated of the seminar. They feel that it is a real time experience for them in participating in the seminar.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is to bring awareness in the students about to excel in a B.Tech career, it is essential to master both technical and soft skills. Develop expertise in your specialization while also honing skills like communication, problem-solving, teamwork, and leadership. A well-rounded skill set enhances your effectiveness and paves the way for career advancement.

### **OUTCOMES OF THE PROGRAM**

You have gained insights into navigating the path to a successful B.Tech career. By choosing the right specialization, gaining practical experience, building a strong network, mastering skills, and seizing opportunities, you are well-equipped to build a bright future. Remember, success is a journey, and your dedication and perseverance will lead you to achieve your goals. Best of luck!

## PROGRAM REPORT

**Date:20/04/2022**

This is to inform to all the students that the Dept of EDC Cell is going to conduct **A One-day Workshop on Bridging the Gap from Ideas to Innovations.**

The following member is invited as a Resource person for the Workshop

**Mrs. P. Sheela**, Asst.professor, Dept. Of CSE, West Godavari Institute of Engineering & Technology, Tadepalligudem, Andhra Pradesh.

highlighted the importance of Bridging the gap from ideas to innovations

The expert sessions covered various aspects of Bridging the gap from ideas to innovations:

- **From Concept to Breakthrough:**

Empowering Entrepreneurship to Bridge the Innovation Gap

- **Understanding the Innovation Gap:**

The innovation gap refers to the disparity between the creation of new ideas and their successful implementation. This gap hinders progress and economic growth. By empowering entrepreneurship, we can bridge this gap and drive impactful change.

- **The Power of Entrepreneurship:**

Entrepreneurship is the catalyst for change. It empowers individuals to turn innovative concepts into reality, driving economic growth and creating opportunities. By fostering an entrepreneurial mindset and providing necessary support, we can unlock the full potential of innovation.

- **Overcoming Challenges:**

Building a successful venture requires resilience and adaptability. Entrepreneurs face numerous challenges such as limited resources, market competition, and uncertainty. However, by embracing these challenges as opportunities for growth, entrepreneurs can navigate the path to breakthrough innovation.

All the Participants felt highly impressed and motivated of the seminar. They feel that it is a real time experience for them in participating in the seminar.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is to bring awareness in the students about to bridge the innovation gap, we must provide aspiring entrepreneurs with access to resources, mentorship, and networking opportunities. By creating a supportive ecosystem, we can empower entrepreneurship and foster an environment conducive to breakthrough innovation.

### **OUTCOMES OF THE PROGRAM**

All the students who are participate in the program have felt free and realised the importance of knowledge about Empowering entrepreneurship is key to bridging the innovation gap. By embracing an entrepreneurial mindset, overcoming challenges, and providing necessary support, we can drive breakthrough innovation and create a thriving ecosystem of innovation and entrepreneurship.

## PROGRAM REPORT

It is to inform that **A One Day Seminar on Research and Advancement of IOT** has been conducted on 26<sup>th</sup> April 2022 [10am to 4pm].

The following member is invited as a Resource person for the seminar.

Mr. Krishnarao, Assoc. Professor, Dept. ECE, AITAM, Tekkali, Srikakulam, A.P.

Mr. Pradeep puppala, Assistant Professor, Department of CSE is the coordinator of the program.

The eminent Resource person has expressed categorically the importance, IOT and day to day usage in life regarding the IOT.

### **OBJECTIVES OF THE PROGRAM**

The objective of the program is the goal behind the Internet of things is to have devices that self-report in real-time, improving efficiency and bringing important information to the surface more quickly than a system depending on human intervention.

### **OUTCOMES OF THE PROGRAM**

All the students who have participated in **A One Day Seminar on Research on Advancement of IOT** learned how the world is experiencing a significant transformation, & IoT has a crucial role to play in this revolution. Predictably, the future will be based on various innovative technologies such as Machine Learning, Artificial Intelligence, 5G, & edge computing.

In this programme forty-six students participated.

## THE IMPORTANCE OF

# IOT

### ABOUT THE INSTITUTION:

Sri Sivani College of Engineering (SSCE) is one of the colleges functioning under Sri Sivani Educational Society. SSCE is a pioneer in the field of engineering education in Srikakulam district (A.P). It was established in the year 2006 under the affiliation of JNT University, Kakinada and approved by AICTE, New Delhi. The college is UGC Recognition under 2(f) & 12(B) certified by ISO 9001:2015.

SSCE is situated in a spacious 11 acres campus adjacent to NH-16 at chilkapalem village. The college is easily accessible to all the districts nearby Srikakulam.

SSCE offers B.Tech programs in E.E.E, E.C.E, C.S.E, Mechanical and Civil Engineering, besides PG programs, M.B.A, M.Tech and Diploma programs like E.E.E, Mechanical, and Civil Engineering as second shift.

SSCE is completely Wi-Fi enabled and equipped with well established laboratories. The college has focused towards student centric learning atmosphere. The faculty is well qualified, experienced equipped with state of art technologies and dedicated to produce marketable products.

### CHIEF PATRON:

**Sri. V.M.M. Sainadh Reddy**  
*President, Sri Sivani Group of Colleges*

### PATRONS:

**Sri. J. Suryachandra Rao**  
*Vice President, Sri Sivani Group of Colleges*

**Sri. K. Durga Srinivas**  
*Secretary, Sri Sivani Group of Colleges*

**Sri. D. Venkata Rao**  
*Treasurer, Sri Sivani Group of Colleges*

**Sri. P. Durga Prasad Raju**  
*Joint Secretary, Sri Sivani Group of Colleges*

**Dr. S. Srinivasa Rao**  
*Correspondent, Sri Sivani Group of Colleges*

### PRINCIPAL:

**Dr. J. Bala Bhaskar**, *Principal, SSCE*

### HEAD OF DEPARTMENT:

**Dr. S. Laxmanaraju**,  
*Dept. of R&D CELL*

### CO-ORDINATOR:

**Mr. Pradeep Puppala**, *Assistant Professor, Dept. of CSE*

### RESOURCE PERSONS:

**Mr. Krishnarao**, *Assoc. Professor, Dept. ECE, AITAM, Tekkali, Srikakulam, A.P.*

## A ONE DAY SEMINAR ON RESEARCH AND ADVANCEMENT OF IOT

ON  
26.04.2022

### ORGANIZED BY

DEPARTMENT OF R&D CELL

### SRI SIVANI COLLEGE OF ENGINEERING (W6)

(Approved by AICTE, Delhi and Permanently

affiliated to JNTUK, Kakinada,

UGC Recognition under 2(f) & 12(B),

'A' Grade by AP Knowledge Mission,

ISO 9001:2015 certified)

CHILAK APALEM Jn., SRIKAKULAM.

Andhra Pradesh - 532 410.
